Re: Public Announcement of Offer to Purchase Shares of Clariant Pakistan Limited

Dear Sir,

The public announcement of offer to purchase shares of Clariant Pakistan Limited was announced on the Stock Exchange's website on August 15, 2013. In the said announcement in Paragraph 3 (Offer Price and Financial Arrangements), sub paragraph (5), it is appearing that "The price per share calculated on the basis of net asset value by Surval at Rs. 87.50 per share".

Please note that in the above phrase, Rs. 87.5 should be read as Rs. 81.5 per share.

In the public announcement of offer published in Dally Dawn and Dally Jang today, this information has been corrected.
