Unusual Movement in Price of GEMPAPL shares

Dear Sir,

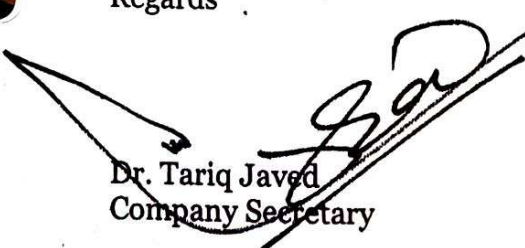

Your letter No.PSX/dated 12 Aug, 2025 refers.

We wish to formally notify you that we are not aware of any such matter or development that may have caused the unusual movement in the price of our company's shares.

However, about four months ago, we had an informal meeting with AKD Securities Ltd (the firm that was our consultant when we went public in 2021) on the potential of moving the company from GEM to the main board of PSX. But, they were of the opinion that such a move will not be successful in the then prevailing market situation. We therefore dropped the idea and have not taken any further steps in this regard. Because the idea was dropped at a preliminary stage, we did not consider it material enough to notify PSX.

We hope this clarifies the situation.

Regards

Dr. Tariq Javed
