SUBJECT: PRICE FLUCTUATION IN LANDMARK SPINNINGS LIMITED(LMSM)

Dear Sir,

Ref of Your Letter # SMD/SSSED/LMSM/387/2017/132-34, dated 27/1/2017

In this connection it is clarified that substantial fluctuation in price of the LMSM security share in last 2 week is due to the market trends as the shares of so many dormant companies are unwarrantedly and un expectedly being transected with price at higher side and the Landmark Spinning Industries Limited shares being transected from 17TH January 2017 to 26th January 2017 from Rs. 6.75 per shares to 12.25 per shares is without any announcement from the Company and no speculation / rumors indirectly involve the Company by its directors in such price fluctuation.

We assure our cooperation in the best interest of the Company and shareholders.

Thanking You

Yours truly
For: Landmark Spinning Industries Limited
