Subject: MATERIAL INFORMATION

Dear Sir,

The management of Maple Leaf Cement Factory Limited (the "Company") is pleased to inform that its wholly owned subsidiary company namely, **Maple Leaf Power Limited** has signed agreement with plant supplier, **M/s. Sinoma Energy Conservation Ltd, China**, for setting up a 40 MW Imported Coal Fired Power plant at Iskanderabad, District: Mianwali. The project is expected to start its commercial production in May 2017 which is based on highly efficient steam turbine generators, fuel supply and cooling systems. The expected project life is 25 years.

Presently the country is facing acute energy shortage. Increasing urbanization and industrialization has further aggravated the demand supply equation. This project will ensure un-interrupted power supply in an increased capacity utilization environment, whilst combating increasing energy costs within the country.

Thanking you,

Yours faithfully,
For Maple Leaf Cement Factory Ltd

(Muhammad Ashraf)
Company Secretary
