Subject : Communication Error - Nishat (Chunian) Limited - Financial Results (Revised)

Dear Sir

We understand that there would have been a communication error that took place yesterday while we were faxing the financial results of Nishat Chunian Limited. We have transmitted all financial results but KSE received only second page (consolidated results) that was uploaded under company announcements section at 12:19 PM.

Owing to avoid any confusion we are sending you complete financial results again (2 pages) for uploading under the abovementioned section on KSE website. There is no change of results from the said communication to KSE.

Thanking you

Saqib Riaz

(Company Secretary)
