DIRECTORS' REPORT

The Directors of **Pakgen Power Limited** ("the Company") are pleased to present their report together with the Condensed Interim Financial Information for the period ended September 30, 2021.

We report that during the period under review power plant dispatched 713,836 MWH of electricity as compared with 182,406 MWH dispatched during the corresponding nine months of the previous financial year.

Operational Financial Results:

The financial results of the Company for period ended September 30, 2021 are as follows:

Financial Highlights	PERIOD ENDED	
	30 September 2021	30 September 2020
Revenue (Rs '000')	16,319,760	8,626,338
Gross profit (Rs '000')	818,184	4,367,688
After tax profit (Rs '000')	375,978	3,321,011
Earnings per share (Rs)	1.01	8.93

The Company has posted after tax profit of Rs.375.978 million as against Rs.3.321 billion earned in the comparative period. The net profits of the Company demonstrated the Earning per Share of Rs.1.01 as against 8.93 per share earned in the comparable previous period. The major reason of decrease in profit is non-issuance of Capacity Purchase Price invoices amounting to Rs. 2.324 billion starting from 05-05-21 to 30-09-21, pursuant to PPA Amendment signed as per note 1.2 of the annexed financial statements for the period ended September 30, 2021.

Our sole customer Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) remains unable to meet its obligations in accordance with the Power Purchase Agreement (PPA) which are secured under a sovereign guarantee of Government of Pakistan. As on September 30, 2021, an amount of Rs.17.004 billion was receivable against CPPA-G.

During the period under review the Company entered into "Master Agreement" and "PPA Amendment Agreement" with CPPA-G in order to get payment of its overdue receivables as on November 30, 2020 amounting to Rs.16.337 billion. The Company has received first installment of 40% amounting to Rs.6.535 billion in the breakup of 1/3rd cash, 1/3rd in the form of tradeable Ijarah Sukuk, and 1/3rd in the form of tradeable Pakistan Investment Bonds (PIBs) on June 04, 2021. Remaining second installment of 60% amounting to Rs.9.802 billion is expected in December 2021 i.e. within six months after the date of first installment. According to the agreement, the Company has voluntarily reduced its Capacity Purchase Price (CPP) and Variable O&M by 11%. Furthermore, 50% of the reduced CPP shall not be indexed with USD Exchange rate and US CPI. Whereas remaining 50% of reduced CPP shall continue to be indexed with USD Exchange rate and US CPI. Moreover, the parties have agreed in good faith to attempt to amicably resolve the outstanding ICC Award / Expert's determination.

Accordingly, the Company entered into another "PPA Amendment Agreement" with CPPA-G on April 20, 2021. Under this PPA Amendment Agreement, amongst resolution of disputes, the shutdown period of the complex on account of non-availability of fuel has been treated as Other Force Majeure Event under the Power Purchase Agreement and Term of the PPA has been extended by 156 days. During this extended period the Company will issue Energy Purchase Price invoices only and will not issue Capacity Purchase Price invoices amounting Rs.2,429 million approximately, for these 156 days, and accordingly Liquidated Damages imposed on the Company for this period have been waived by the Central Power Purchasing Agency (Guarantee) Limited. The Company would start issuing Capacity Purchase Price invoices from 8th October 2021 onwards. Moreover, the Company is entitled to send CPP invoices for these 156 days after completion of remaining seven years of the PPA term, at the indexation applicable for seventh agreement year.

Corporate objectives:

Being a responsible and reliable energy company, we aim to facilitate the nation in reducing its cost of energy by maintaining high efficiency and availability of plant.

COMPOSITION OF BOARD:

Total number of Directors:		
(a)	Male	7
(b)	Female	1
Composition:		
(i)	Independent Directors	2
(ii)	Non-executive Directors	5
(iii)	Executive Director-(Chief Executive Officer)	1

COMMITTEES OF THE BOARD:

Audit Committee of the Board:

ڈائریکٹر رپورٹ پاک جن پاور لمیٹڈ

پاک جن پاور لمیٹڈ "دی کمپنی" کے ڈائریکٹر 30 ستمبر 2021 ءختتمہ مدت کے لئے منجملہ عبوری مالیاتی معلومات پر مشتمل اپنی رپورٹ پیش کرتے ہوئے خوشی محسوس کر رہے ہیں۔

ہم بیان کرتے ہیں کہ زیر جائزہ مدت کے دوران پاور پلانٹ نے گزشتہ مالی سال کی اسی نوعیت کے دوران 182,406 MWH ترسیل کے مقابلہ میں 713,836 MWH بجلی ترسیل کی۔

آپریٹل مالیاتی نتائج:

30 ستمبر 2021 ءکو ختم ہونے والی مدت کے لئے کمپنی کے مالیاتی نتائج مندرجہ ذیل ہیں:

مالی جھلکیاں	30 ستمبر 2021 ءختتمہ نوعیت	30 ستمبر 2020 ءختتمہ نوعیت
محصولات (000 روپے)	16,319,760	8,626,338
مجموعی منافع (000 روپے)	818,184	4,367,688
بعد از ٹیکس منافع (000 روپے)	375,978	3,321,011
آمدن فی حصص (روپے)	1.01	8.93

کمپنی نے ٹیکس کے بعد منافع 375,978 ملین روپے درج کیا جبکہ تقابلی مدت میں 3,321 ملین روپے منافع حاصل ہوا تھا۔ کمپنی کے خالص منافع نے گزشتہ تقابلی مدت میں 8.93 روپے فی حصص منافع کے مقابلے 1.01 روپے فی حصص منافع ظاہر کیا ہے۔ منافع میں کمی کی بڑی وجہ 30 ستمبر 2021 ءکو ختم ہونے والی مدت کے منسلک مالی گوشواروں کے نوٹ 1.2 کے مطابق ترمیمی PPA دستخط شدہ کی بیرونی میں، 05-05-2021 سے شروع 30-09-2021 تک کپسٹی پر چیز پرائس انوائسز مالیت 2,324 ملین روپے کا جاری نہ ہونا ہے۔

ہمارا واحد صارف منسٹرل پاور پراجیکٹ ایجنسی (گارنٹی) لمیٹڈ (CPPA-G) بجلی کی خریداری کے معاہدے (PPA) جو حکومت پاکستان کی ایک خود مختار ضمانت کے تحت حاصل کیا گیا کے مطابق اپنی ذمہ داریوں کو پورا کرنے کے قابل نہیں رہا۔ 30 ستمبر 2021 کے مطابق CPPA-G کے ذمہ بقایا قابل وصولی رقم 17,004 ملین روپے تھی۔

زیر جائزہ مدت کے دوران، کمپنی نے 30 نومبر 2020 کو اپنی واجب الادا وصول ہونے والی 16,337 ملین روپے کی ادائیگی حاصل کرنے کے لئے CPPA-G کے ساتھ "ماسٹر ایگریمنٹ" اور "PPA ترمیم شدہ معاہدہ" کیا۔ کمپنی نے 04 جون 2021 کو 40% کی بجلی قسط کی بریک اپ میں رقم 6,535 ملین روپے، 1/3rd کیش، 1/3rd بصورت قابل تجارت اجارہ سکو، اور 1/3rd قابل تجارت پاکستان انویسٹمنٹ بانڈز (PIBs) کی شکل میں وصول کیا۔ باقی 60% فیصد کی قسط کی رقم 9,802 ملین روپے دسمبر 2021 میں یعنی بجلی قسط کی تاریخ کے بعد چھ ماہ کے اندر وصول ہونے کی توقع ہے۔ معاہدے کے مطابق، کمپنی نے رضا کارانہ طور پر اپنی کپسٹی پر چیز پرائس (سی پی پی) اور متغیر ادائیگہ ایم میں 11 فیصد کی کردی ہے۔ مزید یہ کہ، کم کردہ سی پی پی 50% فیصد امریکی ڈالر کی شرح تبادلہ اور یو ایس سی پی کے ساتھ ترتیب نہیں دیا جائے گا۔ جبکہ باقی کم کردہ سی پی پی کے 50 فیصد کو امریکی ڈالر کی شرح تبادلہ اور یو ایس سی پی آئی کے ساتھ ترتیب دیا جانا جاری رہے گا۔ مزید یہ کہ، فریقین نے نیک نیتی سے اتفاق کیا ہے کہ بقایا آئی سی سی ایوارڈ/ ماہر کے عزم کو خوش اسلوبی سے حل کرنے کی کوشش کی جائے۔

اس کے مطابق، کمپنی نے 20 اپریل 2021 کو CPPA-G کے ساتھ ایک اور "PPA ترمیمی معاہدہ" کیا۔ معاملات کی قرارداد کے درمیان، اس PPA ترمیمی معاہدہ کے تحت، ایندھن کی عدم دستیابی کے حوالہ سے کمپلیکس کی شٹ ڈاؤن مدت کو بجلی کی خریداری کے معاہدے کے تحت دیگر فورس میچور

ایونٹ کے طور پر خیال کیا گیا اور PPA کی شرائط میں 156 دن کی توسیع کی گئی ہے۔ اس توسیعی مدت کے دوران کمپنی صرف انرجی پر چیز پر آئس انوائسز جاری کرے گی اور ان 156 دنوں کے لیے کپسٹی پر چیز پر آئس انوائسز تقریباً 2,429 ملین روپے جاری نہیں کرے گی، اور اس کے مطابق اس مدت کے لیے کمپنی پر عائد کیوڈیٹڈ نقصانات سنٹرل پاور پر چیز تک ایجنسی (گارفٹی) لمیٹڈ نے واپس لے لئے ہیں۔ کمپنی 18 اکتوبر 2021 سے کپسٹی پر چیز پر آئس انوائسز جاری کرنا شروع کرے گی۔ مزید برآں، کمپنی ساتویں سال کے لئے قابل اطلاق انڈیکسیشن پر PPA ٹرم کے سات سالوں کی تکمیل کے بعد ان 156 دنوں کے لئے CPP انوائسز بھیجنے کی اہل ہے۔

کارپوریٹ مقاصد:

ایک ذمہ دار اور قابل اعتماد توانائی کمپنی ہونے کے ناطے، ہم اعلیٰ کارکردگی اور پلانٹ کی دستیابی کو برقرار رکھتے ہوئے بجلی کے اخراجات کم کرنے میں قوم کو سہولت فراہم کرنا چاہتے ہیں۔

SELECTED NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE NINE MONTH PERIOD ENDED 30 SEPTEMBER 2021

1. THE COMPANY AND ITS OPERATIONS

1.1 Pakgen Power Limited ("the Company") was incorporated in Pakistan on 22 June 1995 under the repealed Companies Ordinance, 1984 (now Companies Act, 2017). The registered office of the Company is situated at 53-A, Lawrence Road, Lahore. Head office of the Company is situated at 1-B, Aziz Avenue, Canal Road, Gulberg V, Lahore. The ordinary shares of the Company are listed on Pakistan Stock Exchange Limited. The principal activities of the Company are to own, operate and maintain a fuel fired power station ("the Complex") having gross capacity of 365 MW in Mehmood Kot, Muzaffargarh, Punjab, Pakistan. The Company has a Power Purchase Agreement (PPA) with its sole customer, Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) for 30 years which commenced from 01 February 1998. The PPA has been extended by a period of 156 days as per the terms of PPA Amendment Agreement dated 20 April 2021 referred to in note 1.2(a) to these condensed interim financial statements.

1.2 Significant events occurred during the period

a) Master Agreement and PPA Amendment Agreements

During the year ended 31 December 2020, the Committee for negotiations with Independent Power Producers ("IPPs") notified by the Government of Pakistan (GoP) through notification number F.No.IPPs-1(12)/2019-20 dated 03 June 2020 and the IPPs representing the 1994 Power Policy projects, including the Company had several round of discussions. Therefore, on 18 August 2020, the Company in the larger national interest, voluntarily agreed to alter its existing contractual arrangements to the extent of, and strictly with respect to the matters listed under Memorandum of Understanding ("MoU"). In order to convert the MoU into binding agreement between the Company and CPPA-G (the "Parties"), the Government of Pakistan through notification number F.No.IPPs-1(12)/2020 (Vol-II) dated 07 October 2020 constituted Implementation Committee who had several round of discussions with the Parties. On 12 February 2021, the Parties have signed "Master Agreement" and "PPA Amendment Agreement" to alter certain contractual arrangements for sale and purchase of electricity, as desired by MoU.

Under the Master Agreement, the Parties, among other matters, have agreed on the following:

Competitive trading arrangement

The Government of Pakistan intends to create a competitive power market and the Company, without prejudice to the terms of its generation licence, shall actively support and participate in the competitive trading arrangements.

Assistance and support in tax issues

CPPA-G shall assist and support the Company in tax issues with Federal Board of Revenue including apportionment of input sales tax on Capacity Purchase Invoices, minimum tax on Capacity Purchase Price invoices and taxability of late payment charges.

Under the PPA Amendment Agreement, the Parties have agreed on the following:

Mechanism of settlement of long outstanding receivables

The total outstanding amount of Rupees 16,336.557 million as on 30 November 2020 will be paid in two installments without affecting the right of the Company to receive late payment interest under the PPA. First installment of 40% of the aforementioned total outstanding amount shall be paid within 30 business days from the date of signing of PPA Amendment Agreement (Received by the Company on 04 June 2021). This installment shall comprise of 1/3rd in cash, 1/3rd in the form of tradeable 10 year floating rate Pakistan Investment Bonds (PIBs) and 1/3rd in the form of tradeable 5 year floating rate GoP Ijara Sukuks. Second installment of 60% of the aforementioned total outstanding amount shall be paid within six months after the date of first installment. This installment to be paid shall comprise of 1/3rd in cash, 1/3rd in the form of 10 year floating rate PIBs and 1/3rd in the form of 10 year floating rate GoP Ijara Sukuks.

Discounts in tariff components

The Company shall submit its invoices with tariff discount i.e.

(a) on the basis of the applicable Capacity Purchase Price and Variable O&M reduced by 11%;

(b) USD exchange rate and US CPI indexations shall apply on (i) reduced variable O&M and (ii) 50% of the reduced Escalable Component of the Capacity Purchase Price; and

(c) USD exchange rate applicable on remaining 50% of reduced Escalable Component of the Capacity Purchase Price shall not be less than the National Bank of Pakistan's TT/OD selling PKR/USD rate prevailing at the date of signing of the agreement and shall not exceed exchange rate of Rupees 168.60/USD. US CPI indexation shall be the rate applicable for the month of August 2020.

In the event of default by CPPA-G, the Company shall suspend giving tariff discounts from the date of default and the amendment shall terminate automatically, if not cured within a period of seventy days.

Resolution of disputes

The Parties shall in good faith attempt to amicably resolve the disputes as mentioned in note 1.2(b) to these condensed interim financial statements.

Abolition of Requirement of SBLC

The Parties agree that the requirement for "Company Letter of Credit" and "WAPDA Letter of Credit" is hereby deleted in its entirety.

During the period ended 30 September 2021, the Company has received first installment of 40% of total outstanding balance as on 30 November 2020 under the terms of PPA Amendment Agreement. Upon receipt of first installment, the Company has started giving tariff discounts to CPPA-G as mentioned above.

On 20 April 2021, the Parties have signed another PPA Amendment Agreement to change certain contractual arrangements for sale and purchase of electricity and to amicably resolve the disputes between the Parties. The Parties, among other matters, have agreed on the following;

Minimum load of the complex has been increased from 21% to 50% of the total capacity of the complex;

Different arbitration disputes as detailed in note 1.2(b) to these condensed interim financial statements have been resolved in the following manner;

- The Company has waived off interest on interest and in return would get payments based on First In First Out (FIFO) basis;
- The shutdown period of the complex on account of non-availability of fuel has been treated as Other Force Majeure Event under the PPA and term of the PPA has been extended by 156 days. During this extended period, the Company will issue Energy Purchase Price invoices only and will not issue Capacity Purchase Price invoices for these 156 days, and accordingly Liquidated Damages imposed on the Company for this period have been waived by the CPPA-G;
- The Company is entitled to procure fuel from any licensed Oil Marketing Company other than Pakistan State Oil Company Limited.

Upon execution of this Agreement, the Parties shall jointly approach the relevant courts to withdraw all pending litigations. The Company has started the necessary formalities in this regard.

During the period ended 30 September 2021, the Parties have started complying with the conditions stipulated in the abovementioned PPA Amendment Agreement.

b) Outstanding matters relating to International Chamber of Commerce (ICC) award / Expert's determination

Central Power Purchasing Agency (Guarantee) Limited (CPPA-G) has raised invoices for liquidated damages to the Company from 11th to 22nd (up to September 2019) agreement year (after taking into account forced outage allowance stipulated under the terms of Power Purchase Agreement) on account of short supply of electricity by the Company, which was due to cash constraints of the Company as a result of default by CPPA-G in making timely payments. Liquidated damages invoiced to the Company amounts to Rupees 6,266.265 million (2019: Rupees 6,266.108 million). Out of these, the Company has accepted and paid Rupees 4,006.590 million (2019: Rupees 4,006.432 million). The Company disputes and rejects balance claims on account of liquidated damages that are raised by CPPA-G on the premise that its failure to dispatch electricity was due to CPPA-G's non-payment of dues on timely basis to the Company and consequential inability of the Company to make timely payments to its fuel supplier that resulted in inadequate level of electricity production owing to shortage of fuel. Against these the Company has raised invoice dispute notices to CPPA-G. The Company appointed mediation expert under the mechanism given in the PPA. On 22 June 2017, the mediation expert gave his decision in favour of the Company. However, this decision is not binding on either party.

During the year ended 31 December 2018, the Company filed case for arbitration in the International Chamber of Commerce (ICC) to resolve the following matters, as per the mechanism allowed by PPA for resolutions of disputes:

- On various occasions, CPPA-G has sought to set off amounts allegedly owed to it as liquidated damages against amounts it must pay to the Company as part of its obligations to make capacity payments. On 8 January 2018, CPPA-G wrote to the Company, threatening to set off a total of Rupees 2.425 billion which it considers as allegedly due to it, against capacity payment invoices to be issued by the Company. The far-reaching implications of CPPA-G's threat to take unilateral action left the Company with no option but to approach the courts of Pakistan for interim relief, until the matter gets resolved finally through arbitration, in accordance with the provisions of the PPA. In its order dated 16 January 2018, the Lahore High Court suspended the legal effect of CPPA-G's 8 January 2018 letter on an interim basis.
- CPPA-G sent a number of letters to the Company, purporting to deduct amounts from the energy payments due to the Company on the basis that it had procured fuel from suppliers other than the Pakistan State Oil Company Limited ("PSO"). Amounts withheld on this account from the invoices of the Company totaled Rupees 36.023 million. PPA does not allow CPPA-G to dispute invoices on the basis that fuel was procured from a provider other than PSO. Neither is CPPA-G permitted to retroactively dispute invoices, many months or years after they have become due.
- CPPA-G is required to provide and renew a Letter of Credit. Letter of Credit must allow access to "immediately available funds", which "shall be in an amount equal to an aggregate of two (2) Months of capacity payments plus energy payments". CPPA-G has failed to renew the Letters of Credit, following their expiry on 23 December 2010.
- In addition to its persistent failure to make timely energy and capacity payments, CPPA-G has also failed to comply with its obligation to pay interest to the Company. PPA provides that "Late payments shall bear interest". As a result, a total of Rupees 877.899 million in unpaid interest on interest invoices is due at the date of the latest invoice submitted by the Company (till the date of request for arbitration).

An arbitrator was appointed to resolve the aforementioned matters and the various hearings on these matters were held. On 18 December 2020, the Arbitrator has issued Final Award in which he has declared CPPA-G's attempt to set off amounts of Rupees 2.425 billion from Capacity Payments due to the Company as unlawful and directed CPPA-G that it cannot deduct amounts from invoices of the Company on the basis that the Company has procured fuel from suppliers other than PSO. The Arbitrator also ordered CPPA-G to pay to the Company: i) Rupees 36.068 million withheld from invoices of the Company; ii) Rupees 877.899 million being interest on delayed payments interest invoices; iii) interest on amounts awarded at the rate of State Bank of Pakistan's treasury six month Base Rate plus 2% per annum compounded semi-annually from the date of award till the date of payment and iv) US\$ 432,296.745 (50% of the total amount awarded, being the share of the Company) in respect of cost of arbitration and Company's legal costs together with interest at the rate of 4% per annum compounded quarterly from the date of award till the date of payment. Moreover, the Arbitrator also declare that CPPA-G is obliged to provide and maintain Letter of Credit under PPA.

During the year ended 31 December 2020, the Company in the larger national interest, voluntarily agreed to alter its existing contractual arrangements to the extent of, and strictly with respect to the matters listed under Memorandum of Understanding ("MoU"). During the period ended 30 September 2021, the Company has entered with CPPA-G into "Master Agreement" and "PPA Amendment Agreement" on the basis of MoU. Under the PPA Amendment Agreement, the parties have agreed in good faith to attempt to amicably resolve the outstanding ICC Award / Expert's determination.

On 20 April 2021, the Parties have signed another PPA Amendment Agreement to resolve the disputes relating to aforementioned ICC Award / Expert's determination which are more fully explained in note 1.2(a) to these condensed interim financial statements. Upon execution of this Agreement, the Parties shall jointly approach the relevant courts to withdraw all pending litigations. The Company has started the necessary formalities in this regard.

2. BASIS OF PREPARATION

2.1 These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 These condensed interim financial statements do not include all the information and disclosures required in annual financial statements and should be read in conjunction with the annual audited financial statements of the Company for the year ended 31 December 2020. These condensed interim financial statements are un-audited and are being submitted to the shareholders as required by the Listed Companies (Code of Corporate Governance) Regulations, 2019 and Section 237 of the Companies Act, 2017.

3. ACCOUNTING POLICIES

The accounting policies and methods of computations adopted for the preparation of these condensed interim financial statements are same as applied in the preparation of the preceding audited annual published financial statements of the Company for the year ended 31 December 2020.

3.1 Critical Accounting Estimates and Judgments

The preparation of these condensed interim financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

During preparation of these condensed interim financial statements, the significant judgments made by the management in applying the Company's accounting policies and key sources of estimation and uncertainty were the same as those that applied in the preceding audited annual published financial statements of the Company for the year ended 31 December 2020.

	Un-audited 30 September 2021 (Rupees in thousand)	Audited 31 December 2020
4. LONG TERM FINANCING		
Loan under SBP Refinance Scheme	60,465	94,918
Less: Current portion shown under current liabilities	(47,967)	(45,932)
	12,498	48,986

- 4.1 These finance facilities, aggregating to Rupees 99.269 million are obtained by the Company from MCB Bank limited - related party under SBP Refinance Scheme for Payment of Wages and Salaries to the Workers and Employees of Business Concerns (the Refinance Scheme). These finance facilities and short term borrowings are secured against first pari passu charge over all present and future current assets of the Company for Rupees 3,125 million. These finance facilities are payable in 8 equal quarterly installments commenced from 01 January 2021 and ending on 01 October 2022. Mark-up is payable quarterly at the rate of SBP refinance rate @ 2.00% and 3.00% per annum. These finance facilities are recognized and measured in accordance with IFRS 9 'Financial Instruments'. Fair value adjustments are recognized at discount rates of 7.69% to 8.68% per annum.

5. CONTINGENCIES AND COMMITMENTS

5.1 Contingencies

There is no significant change in the status of contingencies as disclosed in the preceding audited annual published financial statements of the Company for the year ended 31 December 2020 except for the following:

- 5.1.1 During the year ended 31 December 2019, Deputy Commissioner Inland Revenue (DCIR) passed an order under section 11 of the Sales Tax Act, 1990 raising a demand on account of sales tax aggregating to Rupees 159.815 million against the Company. The Company filed an appeal before the Commissioner Inland Revenue (Appeals) [CIR(A)] against the order of DCIR. On 12 September 2019, CIR(A) disposed off the appeal whereby all the matters were decided in favor of the Company except the disallowance of input sales tax on certain purchases aggregating to Rupees 51.707 million. Being aggrieved by the order, the Company has filed an appeal before the Appellate Tribunal Inland Revenue (ATIR) challenging the disallowance of input sales tax. On 22 April 2021, ATIR remanded back the case to assessing officer for fresh consideration. Based on the tax advisor's opinion, the management is of the view that there are meritorious grounds available to defend the disallowance of input sales tax. Consequently, no provision for such disallowance has been made in these condensed interim financial statements.
- 5.1.2 On 19 June 2021, Assistant Commissioner Inland Revenue (ACIR) passed an order under section 72B of the Sales Tax Act, 1990 for tax periods January 2016 to December 2016 whereby a demand of Rupees 10.145 million has been raised on account of inadmissible claim of input tax and sales tax on sale of residue of extracts from furnace oil. The Company has filed an appeal before CIR(A) against the order of ACIR which is pending adjudication. No provision against this demand has been recognized in these condensed interim financial statements, as the Company, based on advice of the tax advisor, is confident of favorable outcome of litigation.
- 5.1.3 On 23 February 2021, DCIR passed an order under section 11 of Sales Tax Act, 1990 whereby input sales tax amounting to Rupees 281.609 million has been disallowed. The Company filed an appeal before the CIR(A) against the order of DCIR. On 04 October 2021, CIR(A) disposed off the appeal whereby all the matters were decided in favor of the Company except the disallowance of input sales tax on certain services aggregating to Rupees 8.178 million. Being aggrieved by the order, the Company is in the process of filing appeal before the Appellate Tribunal Inland Revenue (ATIR) challenging the disallowance of input sales tax. The management is of the view that there are meritorious grounds available to defend the case. Consequently, no provision for such disallowance has been made in these condensed interim financial statements.

5.1.4 The Company received a show cause notice dated 18 May 2021 under Sales Tax Act 1990, from Deputy Commissioner Inland Revenue Enforcement unit-II ['DCIR'] for the Tax Period from July 2016 to January 2021, by disallowing the input tax amounting to Rs.478.291 million. The Company, after consulting with the tax advisory consultants, challenged the jurisdiction of DCIR by filing the writ petition before Honorable Lahore High Court ['LHC']. The LHC directed the petitioner to comply with the notice vide order dated 02 August 2021, and stated that as the appeal against the impugned order is available so the writ petition is not maintainable and accordingly disposed-off the writ petition. The DCIR without providing any opportunity of being heard has passed assessment order dated 03 August 2021 against the company by disallowing the input tax amounting to Rs.478.291 million along with the default surcharge. The company has filed appeal against the impugned order before CIR (Appeals). Based on the tax advisor's opinion, the management is of the view that there are meritorious grounds available to defend the disallowance of input sales tax. Hence, no provision is required.

Accrued interest on loan to associated company	2,527	2,496

10. RECOGNIZED FAIR VALUE MEASUREMENTS - FINANCIAL INSTRUMENTS

(i) Fair value hierarchy

Certain financial assets and financial liabilities are not measured at fair value if the carrying amounts are a reasonable approximation of fair value. Due to short term nature, carrying amounts of certain financial assets and financial liabilities are considered to be the same as their fair value. For the majority of the non-current receivables, the fair values are also not significantly different to their carrying amounts. Judgements and estimates are made in determining the fair values of the financial instruments that are recognised and measured at fair value in these condensed interim financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company classify its financial instruments into the following three levels. However, as at the reporting date, the Company has no such type of financial instruments which are required to be grouped into these levels. These levels are explained as under:

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and trading and equity securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the Company is the current bid price. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

11. FINANCIAL RISK MANAGEMENT

The Company's financial risk management objectives and policies are consistent with those disclosed in the preceding audited annual published financial statements of the Company for the year ended 31 December 2020.

12. CORRESPONDING FIGURES

In order to comply with the requirements of International Accounting Standard 34 "Interim Financial Reporting", the condensed interim statement of financial position and condensed interim statement of changes in equity have been compared with balances of audited annual published financial statements of preceding financial year, whereas, the condensed interim statement of profit or loss and other comprehensive income and condensed interim statement of cash flows have been compared with the amounts of comparable period of immediately preceding financial year.

Corresponding figures have been re-arranged and reclassified, wherever necessary for the purpose of comparison, however, no significant re-arrangements and reclassifications have been made in these condensed interim financial statements.

13. DATE OF AUTHORISATION FOR ISSUE

These condensed interim financial statements were authorized for issue on 26th October 2021 by the Board of Directors of the Company.

14. GENERAL

Figures have been rounded off to the nearest thousand Rupees, unless otherwise stated.
