Dear Sir,

Kindly find enclosed herewith, a letter received from Sanofi-Aventis Pakistan Ltd.'s sponsor shareholder, SECIPE. It states as follows:

"This is merely to bring to your notice the fact that the sole shareholder of SECIPE, i.e. Sanofi S.A., has made a decision to disincorporate SECIPE and transfer SECIPE's shareholding in Sanofi-Aventis Pakistan Ltd. to Zentiva NV, incorporated in Netherlands.

So as to dispel any inference or speculation, I wish to also bring to your notice the fact that Zentiva NV is a wholly owned subsidiary of Sanofi S.A., through SANOFI-AVENTIS EUROPE. Those shares of Sanofi-Aventis Pakistan Ltd. which were till now held by Sanofi S.A. through SECIPE, will now be held by Sanofi S.A. through its wholly owned subsidiary SANOFI-AVENTIS EUROPE, which in turn holds all the shares of Zentiva NV. The ultimate beneficial owner shall therefore remain the same."

We are further informed that the share transfer deed for this off-market transfer will be executed some time today. This is merely for your information and for transmission (if thought necessary) to the holders of Sanofi-Aventis Pakistan Ltd.'s listed shares.

Sincerely,

Muhammad Yousuf
