### 13 DEFERRED TAX ASSET - NET

This includes deferred tax asset recognised on unabsorbed tax losses. The Bank has unabsorbed tax losses (including unabsorbed depreciation and amortisation) amounting to Rs 2,827 million (December 31, 2013: Rs 2,984 million) as at June 30, 2014. Based on this, the management has recognised deferred tax debit balance of Rs 810 million (December 31, 2013: Rs 865 million) against the total available tax benefit of Rs 989 million (December 31, 2013: Rs 1,044 million). The amount of this benefit has been determined based on the projected financial statements for the future periods. The determination of future taxable profit is most sensitive to certain key assumptions such as cost to income ratio of the Bank, deposit composition, kibar rates, growth of deposits and advances, investment returns, product mix of advances, potential provision against assets and branch expansion plan. Any significant change in the key assumptions may have an effect on the realisability of the deferred tax asset.

## 16.5 Contingencies in respect of taxation

The Income tax department had raised a demand of Rs. 426.787 million for the assessment years 1995-96, 1996-97, 1999-00, 2001-02, 2002-03 on account of non-deduction of tax on profit paid under portfolio management scheme, interest paid on foreign currency deposits and certificates of investment. The department had also raised further demand of Rs. 645.337 million for assessment years 1999-00, 2000-01 to assessment year 2002-03 and tax year 2006 on account of taxability of investment banks as banking companies and taxation of dividend income as normal banking income, lease rentals received or receivable, lease key money and certain other items. The aforementioned relates to pending assessments of the Bank and amalgamated entities namely Crescent Investment Bank Limited, Trust Investment Bank Limited and Pakistan Industrial Leasing Corporation. Additionally, the tax department had also raised a demand of Rs. 29.052 million for the assessment years 2008-09, 2009-10 & 2010-11 on account of Federal Excise Duty.

Presently, the Bank is contesting these issues at various forums. The disallowances in respect of a number of assessment years have been decided / set aside by various appellate authorities for re-assessment while the Bank's appeal in respect of the remaining assessment years are currently pending. Based on the professional advice received from its tax advisors, the management is confident that the eventual outcome of the aforementioned matters will be in favour of the Bank. Accordingly, no provision has been made in these financial statements in respect of the above mentioned demands of Rs. 1,101.176 million raised by the income tax authorities.

## 16.6 Commitments to extend credit

The Bank makes commitments to extend credit in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn.
