BOARD OF DIRECTORS

Mr. Muhammad Zahid DIRECTOR

Muhammad Zahid has versatile healthcare professional experience and is one of the founding members of the team that conceived and built Shifa International Hospitals Limited. His association with Shifa dates back to 1985 when a group of Pakistani Americans, mainly healthcare professionals, started developing the idea of a world-class hospitals chain in Pakistan the country of their origin. A graduate of University of Karachi Pakistan with major in pharmaceutical sciences, Zahid's expertise and practical career encompasses diversified areas including Healthcare Projects, Hospital Management and Leadership Development. He established and successfully ran healthcare related businesses in the USA for over 30 years. Simultaneously he remained associated with the landmark project of Shifa International Hospitals Islamabad; He played a role in different capacities ranging from roles in administration to major contribution in strategic development and growth of the Hospital as a member of the Board of Directors. As a founder member, he closely worked with Centre Research Inc. (a hospital design consultant firm in Princeton, New Jersey) in the design and development of the initial plan of the hospital to ensure realization of the founder team's concept. This involvement continued till the development of a master plan in 1989. Zahid then moved to Islamabad and gave valuable and lasting input in the development of business processes, procedures, systems development in different areas of the hospital, leadership development at different and diversified levels till 1997. His contribution in the development of this new hospital had far-reaching impact on the growth of the organization in the days to come and was highly commended by his colleagues. His strong business acumen has always been a phenomenal strength for the Board of Directors of Shifa International Hospitals. He is Executive Director and his role involves Strategic Planning and Business Development.

Mr. Shafquat A. Chaudhary earned a B.Sc. degree in Electrical Engineering from West Pakistan University of Engineering and Technology and an M.Sc. degree in Industrial Engineering from the Polytechnic Institute of Brooklyn, USA in 1973. Though he holds two impressive engineering degrees, he assumed control over his destiny by transforming himself into an entrepreneur. He secured an insurance brokerage license and in 1978 opened Triboro Brokerage Inc. : the first taxi medallion and insurance brokerage business owned by a South Asian American. In 1986, he founded Elite Limousine Plus Inc. which today is one of the largest, privately owned, executive transportation companies in the tri-state area and an established leader in developing and applying state-of-the-art technology in this industry. As a true entrepreneur, Mr. Chaudhary over a period of time pursued various other business ventures. However, in 2001, Mr. Chaudhary founded SoundView Broadcasting and expanded into cable and satellite television broadcasting business. Headquartered in Long Island City, NY, SoundView operates a 60,000 SF television facility to provide production, transmission and distribution services for international TV channels originating overseas and broadcast in the United States, Canada and Europe. Currently, SoundView Broadcasting is the exclusive licensee for 25 TV channels that are being transmitted from India, Pakistan, Bangladesh, Africa and France (Paris). Mr. Chaudhary still manages to find the time to devote his energies and financial resources to charitable organizations which promote and foster traditional family values and social responsibility. He is president of the Society for International Help, a U.S. based not for profit organization that through Tameer-e-Millat Foundation operates over 400 schools for poor children in remote areas of Pakistan. He is a shareholder and Director of Shifa International Hospital, Islamabad, Pakistan. In addition, he is a founding shareholder and Director of Sialkot International Airport. DR. HABIB-UR-RAHMAN

Alhamdulillah! Shifa is celebrating its 25th birthday. And what a journey of progress and service it has been! The 36 bed hospital which opened its doors on 26th June 1993 with four clinical services has grown to a 550 bed quaternary care regional referral center offering 42 specialties. We embarked on a journey of becoming a center of excellence and a leader in the field. We bow to Allah in gratitude for giving us strength, perseverance and a sense of purpose in our quest.

Looking back at our achievements, we take pride in facilitating largest reverse brain drain in healthcare for Pakistan. We took a professional approach to planning, designing, constructing and equipping a state-of-the-art facility. It attracted hundreds of expatriate medics, management and finance experts to make it a successful venture. Faced with constraints of equity markets and financing costs at around 26 percent, we evolved a unique model of sustainability. Success in this uphill task is owed to dedication and untiring work of flock after flock of team members who built this exemplary institution. We are thankful to our consultants, employees, bankers, vendors and most of all patients, who helped this institution navigate through tough times with full conviction. Shifa board members have my special gratitude for selfless participation in governance and guidance, assuring compliance with standards, drawing the roadmap through the decades. We raise our hands in prayer today for our visionary founder Dr. Zaheer Ahmad. His unfaltering commitment to our dream made Shifa a reality.

New era is bringing new challenges. Healthcare market dynamics are changing with flux in population demographics. Deteriorating lifestyle choices and urbanization is shifting the disease burden from infections to non-communicable diseases like stroke, heart attacks, diabetes and hypertension. An ever-increasing segment of chronic liver, kidney and cardiac failure is testing the limits of resources needing advanced and expensive interventions.

We have a progressive vision for maintaining a healthy and prosperous nation. Pakistan is uniquely positioned in medical education. About 18,000 medical graduates cross the threshold every year. Most of them are women with unacceptable rates of professional attrition. This precious body of high caliber scientists can be mentored to commercially oriented research and development of innovative products. Exciting potential opportunities exist in genetics, molecular and immunologic diagnostics as well as medical devices, implants and biopharmaceuticals. Our national obligation is to make remedies accessible and affordable. Innovation and improvisation is needed to curtail costs. All this will need planning, collaboration and venture capital. We have to break loose from the specter of being non affording helpless onlookers for wonders of modern medicine.

We are in a position to advise on public sector healthcare delivery. A large scale managed care model needs to be explored with robust analytics and utilization review based on Artificial Intelligence. Needless to say, universal immunization and preventive care should remain the focus.

Looking forward, Shifa plans to extend its geographic outreach to provide hospital services in other towns within the country. Contrary to negative traditional perception, private sector has a pivotal role to play in mitigating historic underinvestment in healthcare. At present we are actively participating in development of a tertiary care hospital in Africa, in line with our philosophy of applying our expertise for capacity building where needed. We are venturing into hospital IT solutions not only to meet our own needs but also to be a resource for growth markets.

We are committed to our patients and employees' wellbeing and safety, environmental protection projects and programs of meeting corporate social responsibility as we step into the next phase of development. We beg forgiveness from The Creator for our failings while promising to do our best in performance of a sacred duty.

ISLAMABAD
September 18, 2018

DR. HABIB-UR-RAHMAN
Chairman

On behalf of the Board of Directors, we are pleased to present the financial results and brief review of operations of the Company and its subsidiary for the year ended June 30, 2018.

OPERATING RESULTS

	2018	2017
	(Rupees in "000")	
Net revenue	10,270,597	9,257,009
Other income	63,084	136,579
Operating costs	(9,508,191)	(8,464,606)
Finance costs	(57,280)	(66,389)
Profit before taxation	768,210	862,593
Provision for taxation	(211,522)	(256,166)
Profit for the year	556,688	606,427
Earnings before interest tax, depreciaton & amortization (EBITDA)	1,329,318	1,392,404
Earnings per share-basic and diluted - Rupees	10.21	11.12

OPERATING HIGHLIGHTS

The overall revenue growth of the Company is 11% as compared to corresponding period in previous year. Sit-in procession followed by political turmoil during the second quarter of the financial year ended June 30, 2018 had effected the revenue growth of the Company. Had there been no aforementioned events, the revenue growth of the Company would have been better. The operating cost however increased by 12% from Rs. 8,465 million to Rs. 9,508 million, which is mainly due to increase in salaries wages & benefits, cost & volume of supplies & medicines consumed, cleaning & washing, depreciation and rent etc. All these factors have resulted into net profit after taxation of Rs 556.7 Million Vs. Rs 606.4 Million in the previous year.

EARNINGS PER SHARE

During the year under review earnings per share remained at Rs. 10.21 from Rs. 11.12 as compared to previous year.

CORPORATE PHILANTHROPY

Our main goal is always to provide people with quality healthcare services. All healthcare initiatives undertaken by Shifa International Hospitals Limited are given due consideration, and prioritized based on their overall impact on the local population. Our preference has always been for the greater welfare of society, by identifying those services that are not available to the public at large in the country. Initiation of liver transplant program is one such example.

Moreover, Shifa International Hospitals Limited and its social arms work towards corporate philanthropy initiatives in ways mentioned below:

Responsibilities have been identified and mechanisms are in place to minimize the risk of fraud and corruption in the organization.

No adverse effect from the operation of the organization is noted during the financial year.

ACTIVITIES UNDERTAKEN BY THE COMPANY WITH REGARD TO CSR DURING THE YEAR

During the year under review, the Company donated Rs. 50 million to Shifa-Tameer-e-Millat University (STMU). Shifa is one of the sponsors of STMU. Both Shifa College of Medicine and Shifa College of Nursing are its constituent colleges. STMU is also offering various degree programmes which includes Doctor of Physical Therapy, Doctor of Pharmacy, BS (Mechanical Technology), MBA (Health Services), B.Sc. (Medical Lab Technology), M.Sc. (Nursing), etc.

A structured series of programs is also planned and executed each year for the awareness of general public by celebrating the global disease days. Some of such programs executed during the year are as under:

- Health awareness seminars with relevance to Global Health Days (subject experts focus on educating the audience on prevention and management of prevalent diseases, i.e., Stroke, Cancer, Diabetes, Liver & Stomach diseases, etc.).
- A multi-facet awareness campaign on Breast Cancer to educate and empower the women was run to help prevent the disease. The need for regular screenings was also identified to detect any abnormality at an early stage for a timely and safe treatment. The audience was outreached by developing and distributing the publication material to the mass audience, health awareness talks & lectures in Universities and corporate sector, utilizing electronic, print, and web media to disseminate the awareness message to the target audience.
- Developing educational and awareness content (visual & print) on prevalent diseases and health risk factors and outreaching to the general public by utilizing different communication media.
- Capacity Building & Educational activities for Physicians' community to improve healthcare service delivery to the masses.

RISK MANAGEMENT AND INTERNAL CONTROL

Being the healthcare industry Shifa faces many risks which involve, but are not limited to, areas and/or type like regulatory, competition, business, economic & business environment, operational & credit, financing & liquidity, clinical, information systems security & availability, quality & stability of operational services, availability, recruitment & retention of skilled resources/medical practitioners and frauds etc. At Shifa we have a robust internal control and risk management system. The Risk Management and Internal Control processes are designed to safeguard the Company's assets and to appropriately address and/or mitigate emerging risks being faced by the Company.

The Company has a comprehensive Code of Conduct which requires all employees to maintain a work environment which calls for fairness, respect and integrity and to adopt ethical manners. The Code has provisions which include but are not limited to legal compliance, restraint on political activities & soliciting gifts, avoiding conflict of interest, non-discrimination or harassment on the basis of race, color, age, etc., maintaining confidentiality of information, complying with the laws, rules vis-à-vis environmental protection etc. The Code of Conduct is applicable to all the directors, officers, employees, consultants and agents of the Company.

EXPANSION ACTIVITIES UNDERTAKEN DURING THE YEAR ENDED JUNE 30, 2018

During the year under review, the Project Department undertook and completed various construction, renovation and remodeling projects to accommodate the burgeoning space requirements at our facility. A brief summary of these projects is given in the following paras:

REMODELING & RENOVATION OF BLOCK 'C'

During the year under review all the four floors of Block 'C' were remodeled and renovated to house different facilities including OPD Clinics, Medical ICU, Medical Step-down beds, Isolation rooms and IPD rooms.

The overall volume of the work included remodeling and renovating an area over 50,000 s.ft. The task of remodeling and renovating this area also included:

- Designing of civil, architectural, electrical, plumbing, firefighting and HVAC works.
- Dismantling of partitions.
- Execution of civil, architectural, electrical, plumbing, firefighting and HVAC works.
- Installation of networking cables, switches and sockets for deployment of MIS and CCTV Cameras, and
- Installation of medical gases works.

RENOVATION OF BLOCK F-0 (RADIOLOGY)

In order to extend Radiology Department, F-0 was remodeled and renovated to house different radiology facilities.

The renovation covered an area over 10,000 s.ft and it involved providing facilities like Nursing Stations, Waiting Area, MRI Room, Ultrasound Rooms, Ultrasound IPD Beds, Mammography Room, Reporting Rooms, Anesthesia Office, I.V Room and Clean Utility / Linen Room.

Construction works included designing of civil, architectural, electrical, plumbing, firefighting and HVAC works.

Besides above, the construction of brachytherapy room at A-0, remodeling & renovation of ER, designing of HVAC System for E-2/F-2 OTs were also undertaken.

FUTURE OUTLOOK

Due to our strong brand reputation and proven ability to manage healthcare facilities, technically and financially, we have been looking to spread our operations beyond existing facility at H-8, Islamabad. We aspire to set up more medical facilities to expand our outreach and provide quality care to more people. Based upon the market conditions and the gap existing in Pakistan healthcare market, we have planned the following projects as our upcoming business units:

- Shifa National Hospital Faisalabad (Private) Limited
- Shifa Medical Center Islamabad (Private) Limited
- Shifa Neuro Sciences Institute Islamabad (Private) Limited

The above projects will be the subsidiaries of SIHL. Keeping in view the requirement of project costs, we have planned to invest in equity of these projects and the long term loans will be obtained at subsidiary level. These will be run and managed by their independent Boards of Directors but SIHL will ensure that these projects deliver the same level of quality services to the patients through:

- Its representation on the Boards.
- Providing technical and professional knowledge.
- Signing of management agreements with these subsidiary companies whereby SIHL will ensure that all the quality and patient safety measures applicable to SIHL are also implemented into these projects.

ACKNOWLEDGEMENT

The Board is obliged to put on record its appreciation for the consultants, management and staff for their untiring efforts to deliver uninterrupted quality healthcare and to replicate the same on different outreach centers like pharmacies, lab pickup points, medical centers, etc. and shareholders, and bankers, patients and regulatory bodies for their patronage.

مستقبل کا منظر نامہ

ہمارے مضبوط برانڈ کی سادہ اور صحت کی دیکھ بھال کی سہولیات کو تکنیکی اور مالی طور پر منظم کرنے کی ثابت شدہ صلاحیت کی بناء پر ہم اپنے آپریٹنگز کی موجودہ H-8، اسلام آباد کے احاطے سے باہر پھیلانے کے لئے نظر ثانی کر رہے ہیں۔ ہم زیادہ سے زیادہ سہولتی مرکز قائم کر کے زیادہ لوگوں تک رسائی اور معیاری دیکھ بھال فراہم کرنے کی خواہش رکھتے ہیں۔ معاشی حالات اور پاکستان کی موجودہ صحت کی دیکھ بھال کی خلاء کے پیش نظر ہم نے مندرجہ ذیل منصوبوں کو اپنے آئندہ کے کاروباری یوتھ بنانے کا ارادہ کیا ہے۔

1 - شفا انشٹیتوشنل ہسپتال فیصل آباد (پرائیویٹ) لمیٹڈ

2 - شفا میڈیکل سینٹر اسلام آباد (پرائیویٹ) لمیٹڈ

3 - شفا نیوروسائنسز انسٹی ٹیوٹ اسلام آباد (پرائیویٹ) لمیٹڈ

مندرجہ بالا منصوبے شفا کے ذیلی ادارے ہوں گے۔ پراجیکٹ کی لاگت کو مد نظر رکھتے ہوئے ہم نے ان منصوبوں کی ایکویٹی میں سرمایہ کاری کرنے کی منصوبہ بندی کی ہے اور ان کے لئے ان اداروں کی سطح پر طویل مدتی قرضے حاصل کئے جائیں گے۔ ان کو آزاد ڈائریکٹروں کے بورڈز کے ذریعے چلایا اور منظم کیا جائے گا لیکن شفا درج ذیل طریقوں سے اس بات کو یقینی بنائے گا کہ ان منصوبوں کے ذریعے مریضوں کو اچھی معیاری خدمات فراہم کی جائیں:

﴿ بورڈ میں اس کی نمائندگی۔

﴿ تکنیکی اور پیشہ ورانہ علم کی فراہمی۔

﴿ ان ذیلی کمپنیوں کے ساتھ انتظامیہ کا معاہدوں پر دستخط کرنا جس سے شفاء اس بات کو یقینی بنائے گا کہ شفا انشٹیتوشنل ہسپتال لمیٹڈ میں لاگو تمام معیار اور مریضوں کے تحفظاتی اقدامات کو بھی ان منصوبوں میں بھی نافذ کیا جائے۔

اظہار تشکر

بورڈ اعلیٰ معیار کی طبی دیکھ بھال فراہم کرنے کے لئے کنسلٹنٹس، انتظامیہ اور عملے کے بلا تعلق ان تھک کوششوں کو پیش نظر رکھتے ہوئے ان کا ممنون ہے اور شیئر ہولڈرز، بینکوں، مریضوں اور ریگولیٹری اداروں کو ان کی معاونت پر سراہتا ہے۔

ڈائریکٹر رپورٹ

شفانا انٹرنیشنل ہسپتال لمیٹڈ نے اخلاقی ضابطوں کا ایک مکمل ڈھانچہ تشکیل دیا ہوا ہے جس میں طبی اور کاروباری دونوں شعبوں کا احاطہ کیا جاتا ہے جس میں مندرجہ ذیل حصوں پر توجہ دی جاتی ہے:

﴿ منظور شدہ اخلاقی اصول۔

﴿ اخلاقی کمیٹی کا کام کرنا۔

﴿ ضابطہ اخلاق اور پیشہ ورانہ برتاؤ۔

﴿ ہیومن ریسورس پالیسیوں میں عدم تعصب۔

﴿ مفاد کے ٹکراؤ کی پالیسی۔

﴿ وسل بلونگ پالیسی۔

﴿ ہراسیت کے لیے عدم برداشت۔

﴿ اخلاقی مارکیٹنگ اور کاروباری فروغ۔

اس کے علاوہ شفانا انٹرنیشنل ہسپتال لمیٹڈ کے داخلی آڈٹ نے فراڈ رسک مینجمنٹ پر ایک مکمل ڈھانچہ تیار کیا ہوا ہے جو کہ دھوکہ دہی کے خطرے کی روک تھام، سراغ لگانے اور اس کو کم کرنے پر توجہ مرکوز کرتا ہے۔ مالی سال کے دوران ادارے کے آپریشن میں کوئی بھی منفی اثر نوٹ نہیں ہوا۔

سال کے دوران کمپنی کی طرف سے CSR کے حوالے سے انجام کردہ سرگرمیاں

زیر جائزہ سال کے دوران کمپنی نے شفانا تعمیرات یونیورسٹی (STMU) کو 50 ملین روپے عطیہ کیے۔ شفانا انٹرنیشنل ہسپتال لمیٹڈ STMU کے سپانسرز میں سے ہے۔ شفانا کالج برائے میڈیسن اور شفانا کالج برائے نرسنگ دونوں اسکے ملحق ادارے ہیں۔ اسکے علاوہ STMU کے مختلف ڈگری پروگرامز میں جیسا کہ ڈاکٹر آف فزیکل تھراپی، ڈاکٹر آف فارمیسی، بی ایس (میکینیکل انجینئرنگ)، ایم بی اے (ہیلتھ سروسز)، بی ایس سی (میڈیکل لیپ ٹیکنالوجی)، ایم ایس سی (نرسنگ) وغیرہ شامل ہیں۔

ہر سال عام عوام کی آگاہی کے لئے پروگراموں کے ایک منظم سلسلہ کے منصوبے کے تحت بیمار یوں کے عالمی دنوں کو منانے کا اہتمام کرتی ہے۔ ان پروگراموں میں کچھ درج ذیل ہیں:

﴿ عالمی صحت کے دنوں کی مطابقت سے صحت کی آگاہی کے سیمینارز (جس کا مقصد سامعین کو موجودہ بیماریوں کی روک تھام اور نمٹنے کی تعلیم دینا، جیسا کہ فاج، کینسر، ذیابیطیس، جگر و پیٹ کی بیماریاں وغیرہ)۔

﴿ چھاتی کے کینسر پر ایک کثیر پہلو بیداری مہم تاکہ عورتوں کی اس بیماری کی روک تھام میں با اختیار اور ان کی مدد کی جاسکے۔ اس دوران ابتدائی مرحلے میں کسی غیر معمولی چیز کا بروقت اور محفوظ علاج کے لئے باقاعدہ اسکریننگ کی نشاندہی کی گئی تھی۔ سامعین کی آگاہی کے لئے مختلف ذرائع سے ان تک رسائی کی گئی۔ جیسا کہ یونیورسٹیوں اور کارپوریٹ اداروں میں لیکچر ز اور بات چیت کے ذریعے، الیکٹرانک، پرنٹ اور ویب سائٹ کے ذریعے ان کو آگاہی مہم فراہم کی گئی۔

﴿ مختلف اہل ذرائع سے عوام تک بیماریوں اور صحت کے خطرے کے عوامل پر تعلیمی اور آگاہی مواد (بصری اور پرنٹ) کو فروغ دینا۔

﴿ عوام کو صحت کی دیکھ بھال کی بہتر خدمات فراہم کرنے کے لئے ڈاکٹروں کی کمیونٹی کی صلاحیت کی تعمیر اور تعلیمی سرگرمیاں۔

رسک مینجمنٹ اور داخلی کنٹرول

صحت کی دیکھ بھال کی صنعت کی حیثیت سے شفانا کو بہت سے خطرات کا سامنا کرنا پڑتا ہے جن میں ریگولیٹری، مقابلہ، کاروباری، اقتصادی و کاروباری ماحول، آپریشنل و کریڈٹ، فنانسنگ و لیکویڈیٹی، کلینیکل، انفارمیشن سسٹم کی سیکورٹی و دستیابی، معیار و آپریشنل خدمات کا استحکام، ہنرمند افراد کی دستیابی و بھرتی، دھوکہ دہی وغیرہ کے خطرات شامل ہیں۔ شفانا میں مضبوط داخلی کنٹرول اور خطرے سے نمٹنے کا نظام ہے۔ کمپنی کے اثاثوں کی حفاظت کے لئے اور لایا بھرتے خطرات سے مناسب طریقے سے نمٹنے کے لئے رسک مینجمنٹ اور داخلی کنٹرول کا عمل ڈیزائن کیا گیا ہے۔

ضابطہ اخلاق

کمپنی میں ایک جامع ضابطہ اخلاق ہے جس میں تمام ملازموں کو کام کے ماحول کو برقرار رکھنے کو ترجیح دی گئی ہے جو منصفانہ، احترام اور سالمیت کا مطالبہ کرتا ہے اور اخلاقی آداب کو اپنانے پر زور دیتا ہے۔ اس ضابطہ میں سیاسی سرگرمیاں کو روکنے اور تحائف لینے، نسل، رنگ، عمر وغیرہ کی بنیاد پر ہراساں کرنے، معلومات کی رازداری کو برقرار رکھنے، قوانین کی تعمیل، ماحولیاتی تحفظ سے متعلق قوانین وغیرہ شامل ہیں۔ ضابطہ اخلاق تمام ڈائریکٹرز، افسران، ملازمین، کنسلٹنٹس اور کمپنی کے ایجنٹوں پر لاگو ہوتا ہے۔

اختتامی سال برائے 30 جون 2018 کے دوران سرانجام کردہ توسیع کی سرگرمیاں

زیر جائزہ سال کے دوران پراجیکٹ ڈیپارٹمنٹ نے ہمارے ادارے میں مختلف شعبوں میں جگہ کی بڑھتی ضروریات کو پورا کرنے کے لئے مختلف تعمیرات، تزئین و آرائش اور مرمتی منصوبوں کا آغاز کیا اور مکمل کیا۔ ان منصوبوں کا مختصر خلاصہ مندرجہ ذیل پیرا گرافس میں دیا گیا ہے:

- ﴿ 29,370 افراد کو صاف پانی اور صحت و صفائی کی فراہمی۔
- ﴿ صحت، غذائیت اور صفائی کے حوالے سے 11,693 آگاہی سیمینار

بین الاقوامی معیارات

شفا انٹرنیشنل ہسپتال لمیٹڈ بین الاقوامی معیاروں پر عمل درآمد کرتا ہے اور JCI اور ISO 9001:2008 کی شرائط کے عین مطابق اقدامات کئے ہیں تاکہ یہ یقینی بنایا جاسکے کہ ہمارے قابل قدر کسٹمرز (مریض اور ان کے خاندان) کو کسی ممکنہ نقصان سے محفوظ رکھا جائے۔ حال ہی میں شفا انٹرنیشنل ہسپتال لمیٹڈ کو ”خوراک و غذائیت کی خدمات“ کے لئے ISO:22000 کی منظوری دی گئی ہے۔

صارفین کے تحفظ کے اقدامات

فیلیٹی منجمنٹ ڈویژن (ایف ایم ڈی) تمام عملے، مریضوں اور مہمانوں کی حفاظت کو یقینی بناتا ہے، ایف ایم ڈی نہ صرف آزاد ماہرین کے ذریعے ماحولیاتی معیارات کی جانچ کا انعقاد کرتا ہے بلکہ مسلسل ان سہولیات کی جانچ پڑتال کرتا ہے اور ضروری اقدامات بھی کرتا ہے۔ اس سلسلے میں کچھ اقدامات ذیل میں بیان کئے گئے ہیں:

- ﴿ آن لائن شکایت اور انونیری کا انتظام۔
- ﴿ سیلاب سے نمٹنے کا انتظام۔
- ﴿ خطرے کی زد میں ہونے کا تجزیہ۔
- ﴿ آفات سے نمٹنے کی مشقیں۔
- ﴿ حقیقی ہنگامی حالات کا سامنا کرنے کے لئے تیاری۔

معذور افراد کے لئے روزگار

شفا انٹرنیشنل ہسپتال لمیٹڈ معذور افراد کو ملازمت فراہم کرنے پر توجہ دیتا ہے اور ان کو افرادی قوت میں شامل کرنے کی سہولت فراہم کرتا ہے۔

پیشہ ورانہ صحت و تحفظ

شفا انٹرنیشنل ہسپتال لمیٹڈ کا ایک عملے کی صحت و حفاظت کا مضبوط پروگرام دستاویز ہے، لاگو ہے اور اس کی نگرانی کی جاتی ہے۔ اس پروگرام میں سے کچھ اقدامات ذیل میں ہیں:

- ﴿ خطرناک علاقوں میں کام کرنے والے شاف کی ہیلتھ اسکریمنگ۔
- ﴿ محفوظ کام کے ماحول کو یقینی بنانے کے لئے سہولیات کا باقاعدگی سے معائنہ، نتائج کو تحریر کرنا اور ان کا تجزیہ کرنا۔
- ﴿ باقاعدگی سے خطرات کا تجزیہ کرنا اور ان خطرات کو کم کرنے کے لئے ضروری اقدامات کرنا۔
- ﴿ لائڈری میں انٹ کو لیٹر نصب کئے گئے تاکہ شاف کے تحفظ کے لئے اس جگہ سے لٹ کم کی جائے۔
- ﴿ نرسنگ شاف کے تعاون سے، بہترین طریقوں، نفاذ اور آگاہی کے ذریعے انفیکشن والے فضلے کو کم کیا۔
- ﴿ لیبارٹری اور تابکاری کے تحفظ کے جامع پروگرام کا نفاذ۔
- ﴿ کام پر آنے والے زخموں سے بچاؤ کے لیے شاف کی مدد اور آگاہی۔

کاروباری اخلاقیات اور کرپشن کے خلاف اقدامات

شفا انٹرنیشنل ہسپتال لمیٹڈ کرپشن سے پاک اور اخلاقی کاروباری ضابطوں کو یقینی بنانے کے لئے مضبوط اقدامات کرتا ہے۔ شفا کا ایک آزاد داخلی آڈٹ ڈیپارٹمنٹ ہے جو کہ ہسپتال کے مختلف ڈیپارٹمنٹس کا باقاعدگی سے داخلی آڈٹ کرتا ہے۔

ڈائریکٹرز رپورٹ

کارپوریٹ خدمت خلق

ہمارا اہم مقصد ہمیشہ لوگوں کو صحت کی معیاری دیکھ بھال کی خدمات فراہم کرنا ہے۔ شفا انٹرنیشنل ہسپتال لمیٹڈ کی طرف سے فراہم کردہ تمام صحت کی دیکھ بھال کے اقدامات کو مقامی آبادی پر ان کے مجموعی اثرات کی بنیاد پر توجہ اور ترجیح دی جاتی ہے۔ ہماری ترجیح وہ خدمات ہوتی ہیں جو ملک میں بڑے پیمانے پر دستیاب نہیں ہوتیں، اس میں ہمارا مطمح نظر معاشرے کی فلاح و بہبود ہوتی ہے۔ جگر ٹرانسپلانٹ پروگرام کا آغاز اس کی ایک مثال ہے۔

اس کے علاوہ شفا انٹرنیشنل ہسپتال لمیٹڈ اور اس کے سماجی اداروں کی طرف سے انجام کردہ کارپوریٹ خدمت خلق کے کام مندرجہ ذیل ہیں:

﴿ عمارتوں کا ماحول دوست ڈیزائن

﴿ توانائی کے تحفظ کے اقدامات بمعہ توانائی کا دوبارہ استعمال

﴿ پیشہ ورانہ صحت اور حفاظت پر توجہ

توانائی کا تحفظ

شفا انٹرنیشنل ہسپتال لمیٹڈ نے توانائی کے تحفظ کے لئے کئی اقدامات سرانجام دیئے ہیں۔ ان میں سے کچھ زیر استعمال طریقے درج ذیل ہیں:

﴿ حرارت کی ضائع ہونے والی توانائی کا دوبارہ استعمال

﴿ توانائی کی بچت والی لائٹس کی تنصیب

﴿ گیس کی صلاحیت میں اضافہ

ماحولیاتی تحفظ کے اقدامات

شفا انٹرنیشنل ہسپتال لمیٹڈ نے ماحولیاتی تحفظ پر کئی زیادہ اقدامات سرانجام دیئے۔ جن میں مندرجہ ذیل شامل ہیں۔

﴿ پینے کے پانی کا معیار

﴿ ماحول کے بچاؤ کے لئے آلودہ پانی کی حفاظت

﴿ ایئر مائیکرو بیئل لوڈ

﴿ لیبارٹری کے فضلے کا موثر انتظام و انصرام

﴿ خطرناک فضلے کا موثر انتظام و انصرام

ان سب اقدامات کی جانچ پڑتال کی گئی ہے اور ”قومی ماحولیاتی معیار“ (این ای کیو) کے مطابق پائے گئے ہیں۔

کمپنی کے کاروبار کا ماحول پر اثرات

شفا انٹرنیشنل ہسپتال لمیٹڈ این ای کیو معیار کے مطابق تمام ماحولیاتی معیار کے ٹیسٹ کا انعقاد کرتا ہے۔ تاہم شفا ماحول پر اپنے آپریشن کے اثرات کو کم کرنے کے لئے مسلسل جدوجہد کر رہا ہے، مثال کے طور پر:

پارہ

ہسپتالوں میں استعمال ہونے والے زہریلے مادوں میں سے ایک پارہ ہے، شفا انٹرنیشنل ہسپتال لمیٹڈ نے پارہ تھرما میٹرز کو ڈی سیٹیل تھرما میٹرز کے ساتھ تبدیل کرنے کا منصوبہ بنایا ہے۔

توانائی

شفا انٹرنیشنل ہسپتال لمیٹڈ انتہائی موثر طریقے کے ساتھ مہنگی روشنی کو توانائی بچت کی روشنی سے تبدیل کرنے کے ساتھ ساتھ اور بھی بچت کے اقدامات کر رہا ہے۔

ہوا کا اخراج

فضلہ کی بجالی، گیس اور ڈیزل جنریٹرز کے اخراج کو آزاد ماہرین کی مدد سے باقاعدہ جانچا جاتا ہے اور اصول کے مطابق پایا گیا ہے۔

پانی کا اخراج

فیلٹیٹی ہیجمنٹ ڈویژن علاج کے بعد پانی کے دوبارہ استعمال کے منصوبے پر کام کر رہا ہے۔ تاکہ آٹو والی نسلوں کے لئے پانی بچانے میں تعاون کیا جائے۔

راکھ کی تلفی

فضلہ جلانے کے بعد راکھ کو بحفاظت تلف کیا جاتا ہے۔

بورڈ کی کارکردگی کی جانچ

اس سالانہ رپورٹ میں بورڈ کی مجموعی کارکردگی اور کمپنی کے مقاصد کو حاصل کرنے میں بورڈ کی جانب سے ادا کردہ کردار کی اثر انگیزی پر مشتمل چیئر مین کا جائزہ بھی شامل ہے۔

ڈائریکٹرز رپورٹ

بورڈ کے ڈائریکٹروں کی جانب سے ہم کمپنی اور اس کے ذیلی ادارے کے اختتامی سال برائے 30 جون 2018 کے سالانہ نتائج اور مختصر خلاصہ پیش کرتے ہوئے خوشی محسوس کرتے ہیں۔

نتائج عملی کارکردگی

فی شیئر آمدنی۔ بنیادی اور ڈائلیوٹڈ (روپے)	10.21	11.12

عملی کارکردگی: چیدہ چیدہ نکات

گزشتہ سال کے اسی مدت کے مقابلے میں کمپنی کی مجموعی آمدنی میں 11 فیصد کا اضافہ ہوا ہے، 30 جون 2018 کو ختم ہونے والے مالی سال کی دوسری سہ ماہی کے دوران سیاسی دھرنے اور سیاسی افراتفری سے کمپنی کی مجموعی آمدنی میں بڑھوتری متاثر ہوئی۔ اگر مذکورہ بالا واقعات پیش نہ آتے تو کمپنی کی آمدنی میں زیادہ بہتری ہوتی۔ تاہم کمپنی کی آپریٹنگ لاگت 8,465 ملین روپے سے بڑھ کر 12 فیصد اضافے کے ساتھ 9,508 ملین روپے ہو گئی جس کی وجہ تنخواہوں، اجرتوں و سہولیات میں اضافہ، دواؤں کی مہیا کردہ حجم و لاگت، صفائی و دھلائی، اثاثوں کی بوسیدگی اور کرائے وغیرہ میں اضافہ ہے۔ ان تمام عوامل کے نتیجے میں خالص منافع بعد از ٹیکسیشن گزشتہ سال کے 606.4 ملین روپے کے مقابلے میں 556.7 ملین روپے رہا۔

فی شیئر آمدنی

زیر جائزہ سال کی فی شیئر آمدنی گزشتہ سال کی 11.12 روپے فی شیئر آمدنی کے مقابلے میں 10.21 روپے رہی۔

منافع

بورڈ کو یہ بتاتے ہوئے خوشی ہو رہی ہے کہ اختتامی سال 30 جون، 2018 کا حتمی نقد منافع 4.50 روپے فی شیئر مقرر ہوا ہے۔

بورڈ آف ڈائریکٹرز اور کمیٹیاں

INDEPENDENT AUDITORS' REVIEW REPORT

To the members of Shifa International Hospitals Limited Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2017

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of Shifa International Hospitals Limited for the year ended June 30, 2018, in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2018.

INDEPENDENT AUDITORS' REPORT

To the members of Shifa International Hospitals Limited Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of Shifa International Hospitals Limited (the Company), which comprise the statement of financial position as at June 30, 2018, and the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with approved accounting and reporting standards as applicable in Pakistan and the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2018 and of the profit, other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (the Code) as adopted by the Institute of Chartered Accountants of Pakistan and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S. No.	Key audit matters	How the matter was addressed in our audit
1	Valuation of lands The Company is following revaluation model for subsequent measurement of its lands under property, plant and equipment. The valuation is based on the report of independent external appraiser engaged by the Company, who estimate the value after due consideration of the prevailing prices, characteristics, size of the land and restrictions and condition attached to the same. Based on the latest report of external appraiser, values of lands are accounted for in the financial statements. Due to specifics of the valuation process, characteristics and materiality of the value of lands, we have determined it as a key audit matter.	Our audit procedures amongst others to address this matter comprise of assessing the qualification, objectivity, independence and competence of external appraiser. We discussed with appraiser the methodology, key assumptions and method used in the valuation process. We established that the valuation approach is consistent and in accordance with IFRS 13, "Fair Value Measurement". We also tested and assessed the completeness, appropriateness and adequacy of the disclosure in the financial statements of the Company with regard to the revaluation performed.
2	First time application of fourth schedule to the Companies Act, 2017 As referred to in note 2 and 3.1 to the annexed financial statements, the financial statements have been prepared according to the fourth schedule to the Companies Act, 2017 (the Act) as they have become applicable for the first time during the current year. The Act (including third and fourth schedules) forms an integral part of the statutory financial reporting framework as applicable to the Company which, amongst others, prescribes the nature and content of disclosures in relation to various elements of the financial statements and the management identified differences between the framework by performing gap analysis and as a result assessed the amendments relating to disclosures required in the Company's financial statements. We consider the above as a key audit matter in view of extensive impacts in the financial statements due to the Companies Act, 2017.	The matter was addressed in our audit by performing the audit procedures where by, the management's process to identify the necessary amendments required in the Company's financial statements was considered and an evaluation was made of the results of management's analysis and key decisions taken in respect of the transition and an assessment was made on the adequacy and appropriateness of disclosures made in the financial statements arising from the changes.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with approved accounting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is Khaliq ur Rahman.

2 SIGNIFICANT TRANSACTIONS AND EVENTS THAT AFFECTED THE COMPANY'S FINANCIAL POSITION AND PERFORMANCE

Sit in procession followed by political turmoil during the second quarter of current financial year had effected the revenue growth of the Company. Had there been no aforementioned events, the revenue would have been increased by Rs. 41 million.

During the year under review, the Company has purchased land and building at lump sum value of Rs. 1,350 million.

During the current year, the Company has opened further three institutional pharmacies that significantly contributed towards the Pharmacy revenue growth of the Company.

Due to first time application of financial reporting requirements of the Companies Act, 2017, the Company has changed the accounting policy and the presentation of surplus on revaluation of property, plant and equipment as detailed in note 4.21.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for financial reporting. The accounting and reporting standards as applicable in Pakistan comprise of such International Financial Reporting Standards (IFRS Standards) issued by International Accounting Standards Board (IASB) as notified under Companies Act, 2017 (the "Act"); and provisions of and directives issued under the Act. Where provisions of and directives issued under the Act differ from IFRS Standards, the provisions of and directives issued under the Act have been followed.

During the year the Companies Act, 2017 became applicable for the first time for the preparation of these financial statements. The Companies Act, 2017 (including its third and fourth schedule) forms an integral part of the statutory financial reporting framework applicable to the Company and amongst others, prescribes the nature and content of disclosures in relation to various elements of the financial statements. Additional amended disclosures including but not limited to, particulars of immovable assets (note 14.2), management assessment of sufficiency of tax provision in the financial statements (note 31.2), change in threshold for identification of executives (note 37) and changes in threshold for disclosing disposal of fixed assets (note 14.7) etc.

3.2 Basis of measurement

These financial statements have been prepared under the historical cost convention, modified by:-

- revaluation of certain items of property, plant and equipment; and
- recognition of employees gratuity benefits obligation at present value.

3.3 Functional and presentation currency

These financial statements are presented in Pak Rupee, which is the Company's functional and presentation currency.

3.4 Use of estimates and judgments

The preparation of financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and underlying assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgment about carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgments made by management in the application of the approved accounting standards that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in the ensuing paragraphs.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

3.4.1 Property, plant and equipment

The Company reviews the useful lives of property, plant and equipment on a regular basis. Any change in estimates in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding effect on the depreciation/amortization charge and impairment.

3.4.2 Investment property

The Company reviews the useful lives of investment property on a regular basis. Any change in estimates in future years might affect the carrying amounts of the respective items of investment property with a corresponding effect on the depreciation/amortization charge and impairment.

3.4.3 Intangible assets

The Company reviews the useful lives of intangible assets on a regular basis. Any change in estimates in future years might affect the carrying amounts of the respective items of intangibles with the corresponding effect on the amortization charge and impairment.

3.4.4 Provision for doubtful debts

The Company estimates the recoverability of the trade debts and provides for doubtful debts based on its prior experience.

3.4.5 Stock-in-trade, stores, spares and loose tools

The Company reviews the net realizable value of stock-in-trade, stores, spares and loose tools to assess any diminution in the respective carrying values. Net realizable value is determined with reference to estimated selling price less estimated expenditures to make the sale.

3.4.6 Employee benefits

The Company operates approved funded gratuity scheme covering all its employees who have completed the minimum qualifying period of service as defined under the scheme. The gratuity scheme is managed by trustees. The calculation of the benefit requires assumptions to be made of future outcomes, the principal ones being in respect of increase in remuneration and the discount rate used to convert future cash flows to current values. The assumptions used for the plan are determined by independent actuary on annual basis.

The amount of the expected return on plan assets is calculated using the expected rate of return for the year and the market-related value at the beginning of the year. Gratuity cost primarily represents the increase in actuarial present value of the obligation for benefits earned on employee service during the year and the interest on the obligation in respect of employee service in previous years, net of the expected return on plan assets. Calculations are sensitive to changes in the underlying assumptions.

3.4.7 Compensated absences

The Company provides provision for compensated absences of its employees on unavailed balance of leaves in the period in which the leave is earned. The Company provides for its estimated liability towards leaves accumulated by employees on an accrual basis using current salary levels.

3.4.8 Taxation

The Company takes into account the current income tax laws and decisions taken by appellate authorities. Instances where the Company's view differs from the view taken by the income tax department at the

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

assessment stage and where the Company considers that its view on items of material nature is in accordance with law, the amounts are shown as contingent liabilities.

3.4.9 Contingencies

The Company has disclosed significant contingent liabilities for the pending litigations and claims against the Company based on its judgment and the advice of the legal advisors for the estimated financial outcome. The actual outcome of these litigations and claims can have an effect on the carrying amounts of the liabilities recognized at the balance sheet date. However, based on the best judgment of the Company and its legal advisors, the likely outcome of these litigations and claims is remote and there is no need to recognize any liability at the balance sheet date.

3.5 New accounting standards, interpretations and amendments

During the year certain amendments to standards or new interpretations became effective, however, the amendments or interpretations did not have any material effect on these financial statements.

The following revised standards and amendments and interpretations to the approved accounting standards, as applicable in Pakistan, would be effective from the dates mentioned below against the respective standard:

		Effective date (annual periods beginning on or after)
IFRS 2	Share based payments - Classification and measurement of share based payments transaction (Amendment)	January 1, 2018
IFRS 9	Financial instruments	July 1, 2018
IFRS 9	Prepayment Features with Negative Compensation - (Amendments)	January 1, 2018
IFRS 10	Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures: Sale or Contribution of Assets between an Investor and its Associate or Joint venture (Amendment)	Not yet finalized
IFRS 15	Revenue from Contracts with Customers	July 1, 2018
IFRS 16	Leases	January 1, 2019
IFRS 4	Insurance Contracts: Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts - (Amendments)	January 1, 2018
IAS 40	Investment Property: Transfers of Investment Property (Amendments)	January 1, 2018
IAS 19	Plan Amendment, Curtailment or Settlement (Amendments)	January 1, 2019
IAS 28	Long-term Interest in Associates and Joint Ventures (Amendments)	January 1, 2019
IFRIC 22	Foreign Currency Transactions and Advance Consideration	January 1, 2018
IFRIC 23	Uncertainty over Income Tax Treatments	January 1, 2019

At present the impact of application of above standards on Company's financial statements are being assessed.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

In addition to above standards and amendments, improvements to various accounting standards have also been issued by the International Accounting Standards Board (IASB) in December 2016 and December 2017. Such improvements are generally effective for accounting periods on or after January 01, 2018 and January 01, 2019 respectively. The Company expects that such improvement to the standards will not have any impact on the Company's financial statement in the period of initial application.

The Company has adopted the following applicable accounting standards, amendments and interpretations of IFRS standards which became effective for the current year:

IAS 12	Income taxes - Recognition of deferred tax assets for unrealized losses - (Amendment)
IFRS 7	Financial Instruments: Disclosures - Disclosure initiative

The adoption of above accounting standards did not have any effect on the financial statements.

The IASB has also issued the revised Conceptual Framework for financial reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after January 1, 2020 for preparers of financial statements who develop accounting policies based on Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of Conceptual Framework is to assist IASB in developing standards, to help preparers to develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

Further, the following new standards and interpretations have been issued by the IASB, which are yet to be notified by the Securities and Exchange Commission of Pakistan (SECP), for the purpose of their applicability in Pakistan:

		Effective date (annual periods beginning on or after)
IFRS 14	Regulatory Deferral Accounts	January 1, 2016
IFRS 17	Insurance Contracts	January 1, 2021

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, except the change reflected in note 4.21 below.

4.1 Property, plant and equipment

Property, plant and equipment except freehold and leasehold land and capital work-in-progress are stated at cost less accumulated depreciation/amortization and impairment in value, if any. Leasehold land is stated at revalued amount being the fair value at the date of revaluation, less any subsequent accumulated depreciation and impairment losses while freehold land is stated at revalued amount being the fair value at the date of revaluation, less any subsequent impairment losses, if any. Leasehold land is amortized over the lease period extendable up to 99 years.

Any revaluation increase arising on the revaluation of land is recognized in other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property, plant and equipment", except to the extent that it reverses a revaluation decrease for the same asset previously recognized in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

charged. Any decrease in carrying amount arising on the revaluation of land is charged to profit or loss to the extent that it exceeds the balance, if any, held in the Revaluation surplus on property, plant and equipment relating to a previous revaluation of that asset. The surplus on leasehold land to the extent of incremental depreciation charged is transferred to unappropriated profit.

Capital work-in-progress and stores held for capital expenditure are stated at cost less impairment loss recognized, if any. All expenditures connected with specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to specific items of property, plant and equipment when available for intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs that do not meet the recognition criteria are charged to the statement of profit or loss as and when incurred.

Depreciation/amortization is charged to the statement of profit or loss commencing when the asset is ready for its intended use, applying the straight-line method over the estimated useful life.

In respect of additions and disposals during the year, depreciation/amortization is charged when the asset is available for use and up to the month preceding the asset's classification as held for sale or derecognized, whichever is earlier.

Assets are derecognized when disposed off or when no future economic benefits are expected to flow from its use. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized on net basis within "other income" in the statement of profit or loss.

4.2 Investment property

Investment property, principally comprising of land and buildings, is held for long term rental yields/capital appreciation. The investment property of the Company comprises of land and buildings and is valued using the cost method i.e. at cost less any accumulated depreciation and impairment losses, if any.

Cost includes expenditure that is directly attributable to the acquisition of the investment property. The cost of self constructed investment property includes the cost of materials and direct labor, any other costs directly attributable to bringing the investment property to a working condition for their intended use and capitalized borrowing costs, if any.

Depreciation is charged to the statement of profit or loss on the straight line method so as to allocate the depreciable amount over its estimated useful life. Depreciation on additions to investment property is charged from the month in which a property is acquired or capitalized while no depreciation is charged for the month in which the property is disposed off.

The residual values and useful lives of investment property are reviewed at each reporting date and adjusted if appropriate. The Company assesses at each reporting date whether there is any indication that investment property may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying values exceed the respective recoverable amounts, assets are written down to their recoverable amounts and the resulting impairment loss is recognized in the statement of profit or loss. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

Where an impairment loss is recognized, the depreciation charge is adjusted in the future period to allocate the asset's revised carrying amount over its estimated useful life. The gain or loss on disposal of investment property, represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as income or expense in the statement of profit or loss.

4.3 Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment losses, if any. Subsequent cost on intangible assets is capitalized only when it increases the future economic benefits embodied in the specific assets to which it relates. All other expenditure is expensed as incurred.

Amortization is charged to the statement of profit or loss on a straight line basis over the estimated useful lives of intangible assets unless such lives are indefinite. Amortization on additions to intangible assets is charged from the month in which an item is acquired or capitalized while no amortization is charged for the month in which the item is disposed off.

All intangible assets with an indefinite useful life are systematically tested for impairment at each reporting date. Where the carrying amount of an asset exceeds its estimated recoverable amount it is written down immediately to its recoverable amount. The carrying amount of other intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exist then the asset's recoverable amount is estimated. The recoverable amount is the greater of its value in use and fair value less cost to sell. An impairment is recognized if the carrying amount exceeds its estimated recoverable amount.

4.4 Leases

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the Company. All other leases are classified as operating leases.

Finance leases as lessee

The Company recognizes finance leases as assets and liabilities in the statement of financial position at the inception of the lease, at amounts equal to the fair value of the asset or, if lower, at the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to similar owned assets. In calculating the present value of the minimum lease payments the discount factor used is the interest rate implicit in the lease. Initial direct costs incurred are included as part of the amount recognized as an asset. The liabilities are classified as current and long term depending upon the timing of payment. Lease payments are apportioned between the finance charge and the reduction of outstanding liability. The finance charge is allocated to periods during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Finance charges are charged directly to the statement of profit or loss.

Operating leases/Ijarah contracts

As lessor

Rental income from operating leases is recognized on straight-line basis over the term of the relevant lease.

As lessee

Rentals payable under operating leases/Ijarah are charged to the statement of profit or loss on straight-line basis over the term of relevant lease/Ijarah.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

4.5 Impairment

Non - Financial assets

The Company assesses at each reporting date whether there is any indication that assets except deferred tax assets and inventory may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amounts. Where carrying values exceed the respective recoverable amounts, assets are written down to their recoverable amounts and the resulting impairment loss is recognized in the statement of profit or loss except for the impairment loss on revalued assets, which is adjusted against the related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation of that asset. The recoverable amount is the higher of an asset's fair value less costs to sell and its value in use.

Where impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised recoverable amount but limited to the extent of the carrying amount that would have been determined (net of depreciation/amortization) had no impairment loss been recognized for the asset in prior years. Reversal of impairment loss is recognized in the statement of profit or loss.

Financial assets

Financial assets are assessed at each reporting date to determine whether there is objective evidence that they are impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably. Objective evidence that financial assets are impaired may include default or delinquency by a debtor, indications that a debtor or issuer will enter bankruptcy.

4.6 Investments

All purchases and sales of investments are recognized using settlement date accounting. Settlement date is the date on which that investments are delivered to or by the Company. All investments are derecognized when the rights to receive cash flows from the investments have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership.

4.6.1 Investment in subsidiary

These investments are carried at cost less impairment losses. The profits and losses of the subsidiary are carried forward in the financial statements of the subsidiary and are not dealt with in or for the purpose of these financial statements except to the extent of dividend declared by the subsidiary company. Gain and loss on disposal of investment is included in income.

4.6.2 Investments - held to maturity

Investments with fixed or determinable payments and fixed maturity that the Company has the positive intent and ability to hold till maturity are classified as investment held to maturity. These are initially recognized at cost inclusive of transaction cost and are subsequently carried at amortized cost using the effective interest rate method less impairment loss, if any. This method uses an effective interest rate that exactly discounts estimated future cash receipts through the expected life of the investment to its net carrying amount.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

4.6.3 Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than 12 months after the balance sheet date, those are classified as non-current assets. The Company's loans and receivables comprise 'Advances, deposits and other receivables'.

4.7 Stores, spare parts and loose tools

These are valued at cost, determined on moving average cost basis or net realizable value, whichever is lower, less allowance for obsolete and slow moving items. For items which are slow moving or identified as surplus to the Company's requirement, a provision is made for excess of book value over estimated net realizable value. The Company reviews the carrying amount of stores, spare parts and loose tools on a regular basis and provision is made for obsolescence, if there is any change in usage pattern and physical form of related stores, spare parts and loose tools.

4.8 Stock-in-trade

Stock-in-trade is valued at lower of cost, determined on moving average basis or net realizable value. The cost includes expenditure incurred in acquiring the stock items and other cost incurred in bringing them to their present location and condition.

4.9 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, cheques in hand, balances with banks and highly liquid short term investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of change in value with maturity of three months or less from the date of acquisition and short term borrowings.

4.10 Financial instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. These are derecognized when the Company loses control of contracted rights that comprise the financial assets and in the case of financial liabilities when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is included in the statement of profit or loss.

The particular recognition methods adopted by the Company are disclosed in the individual policy statements associated with each item of the financial instruments.

4.10.1 Trade debts and other receivables

Trade debts and other receivables are carried at original bill amount less an estimate made for doubtful receivables based on review of outstanding amounts at the year end. Balances considered bad and irrecoverable are written off against provision.

4.10.2 Trade and other payables

Liabilities for trade and other payables are measured at cost which is the fair value of the consideration to be paid in the future for goods and services received.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

4.10.3 Offsetting

A financial asset and a financial liability is offset and the net amount is reported in the balance sheet, if the Company has a legal enforceable right to set-off the recognized amounts and intends either to settle on net basis or to realize the asset and settle the liability simultaneously.

4.11 Employee benefits

Defined benefit plan

The Company operates approved funded gratuity scheme for all its employees who have completed the minimum qualifying period of service as defined under the respective scheme. Provision is made annually to cover obligations under the scheme on the basis of actuarial valuation and is charged to the statement of profit or loss. The most recent valuation was carried out as at June 30, 2018 using the "Projected Unit Credit Method". The actuarial gains or losses at each evaluation date are charged to other comprehensive income. The results of actuarial valuation are summarized in note 10.4 of these financial statements.

The amount recognized in the balance sheet represents the present value of defined benefit obligations as reduced by the fair value of plan assets.

Calculation of gratuity requires assumptions to be made of future outcomes which mainly include increase in remuneration, expected long term return on plan assets and the discount rate used to convert future cash flows to current values. Calculations are sensitive to changes in the underlying assumptions.

Compensated absences

The Company provides for compensated absences of its employees on unavailed balance of leaves in the period in which the leave is earned. Accrual to cover the obligations is made using the current salary levels of the employees.

4.12 Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. However, provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

4.13 Taxation

Taxation for the year comprises current and deferred tax. Taxation is recognized in the statement of profit or loss except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current

Provision for current taxation is based on taxable income at the current rates of tax after taking into account applicable tax credits, rebates, losses and exemptions available, if any.

Deferred

Deferred tax is accounted for using the liability method in respect of all taxable temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that is no longer probable that the related tax benefit will be realized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on tax rates that have been enacted. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets and they relate to income taxes levied by the same tax authority on the same taxable entity or on different tax entities but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

4.14 Foreign currencies

Transactions in currencies other than Pak Rupees are recorded at the rates of exchange prevailing on the dates of transactions. At each balance sheet date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rate prevailing on the reporting date. Gains and losses arising on retranslation are included in the statement of profit or loss for the year.

4.15 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and represents amounts received or receivable for goods and services provided in the normal course of business. Revenue is recognized in the accounting period in which the services are rendered and goods are delivered and it is probable that the economic benefits associated with the transactions will flow to the Company and the amount of the revenue can be measured reliably.

Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

Rental income is recognized on a straight line basis over the term of the rent agreement.

Scrap sales and miscellaneous receipts are recognized on realized amounts.

4.16 Borrowings

Borrowings are recognized initially at fair value net off transaction cost incurred and are subsequently measured at amortized cost using the effective interest rate method. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of liability for at least twelve months after the reporting date.

4.17 Borrowing costs

Borrowing costs which are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of that asset. All other borrowing costs are charged to the statement of profit or loss.

4.18 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholder and weighted average number of ordinary shares outstanding for the effects of all potential ordinary shares.

4.19 Dividend

Dividend is recognized as a liability in the period in which it is declared.

4.20 Non - current assets held for sale

Non - current assets are classified as held for sale when their carrying amounts are expected to be recovered principally through a sale transaction and a sale is considered highly probable. They are stated at the lower of carrying amount immediately prior to their classification as held for sale and fair value less cost to sell. Once classified as held for sale, the assets are not subject to depreciation or amortization. In case where classification criteria of non-current asset held for sale is no longer met such asset is classified on its carrying amount before the asset was classified as held for sale, adjusted for depreciation/revaluation that would have been recognized had the asset not been classified as held for sale. The required adjustment to the carrying amount of a non-current asset that ceases to be classified as held for sale is charged in the statement of profit or loss.

4.21 Change in accounting policy

Previously, the Company's accounting policy for surplus on revaluation of property, plant and equipment was in accordance with the provisions of section 235 of the repealed Companies Ordinance, 1984 which required a deficit arising on revaluation of a particular property was to be adjusted against the total balance in the surplus account, or if no surplus existed, was to be charged to the statement of profit or loss as an impairment of the asset. The Companies Act, 2017 removed the specific provisions allowing the above treatment. A deficit arising on revaluation of a particular property is now to be accounted for in accordance with IFRS, which requires that such deficit cannot be adjusted against surplus in another property, but is to be taken to the statement of profit or loss as an impairment. Consequently, the Company has changed its policy for accounting for deficit arising on revaluation of fixed assets, however, the change has no impact on current and prior financial statements of the Company. The revised accounting policy is explained in note 4.1 above. Further, the requirement of the repealed Companies Ordinance, 1984 to present the surplus on revaluation of property, plant and equipment as a separate item below equity has not been carried forward in the Companies Act, 2017. In view of the above, the surplus on revaluation of property, plant and equipment is now shown in the statement of financial position and the statement of changes in equity as a capital reserve i.e. part of equity.

39 FINANCIAL RISK MANAGEMENT

The Company has exposure to the following risks from its use of financial instruments:

Credit risk

Liquidity risk

Market risk

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk and the Company's management of capital. Further quantitative disclosures are included throughout these financial statements.

The Board of Directors of the Company has overall responsibility for the establishment and oversight of the Company's risk management framework and policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Audit Committee of the Company oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit function. Internal Audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

39.1 Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Company manages credit risk in trade debts by limiting significant exposure to the customers not having good credit history. Furthermore, the Company has credit control in place to ensure that services are rendered to customers with an appropriate credit history.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

The Company is also exposed to credit risk from its operating and short term investing activities. The Company's credit risk exposures are categorized under the following headings:

39.1.1 Counterparties

The Company conducts transactions with the following major types of counterparties:

Trade debts

Trade debts are essentially due from government companies/institutions, private companies (panel companies) and individuals to whom the Company is providing medical services. Normally the services are rendered to the panel companies on agreed rates and limits from whom the Company does not expect any inability to meet their obligations. The Company manages credit risk in trade debts by limiting significant exposure to the customers not having good credit history. Furthermore, the Company has credit control in place to ensure that services are rendered to customers with an appropriate credit history.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade debts. This allowance is based on the management's assessment of a specific loss component that relates to individually significant exposures.

Cash and investments

The Company limits its exposure to credit risk by investing in liquid securities and maintaining bank accounts only with counterparties that have a credit rating of at least A-2 and A-1. Given these credit ratings, management does not expect any counterparty to fail to meet its obligations.

39.1.2 Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

	2018	2017
	(Rupees in '000')	
Long term deposits	41,140	41,729
Trade debts - considered good	714,034	447,770

Investment - held to maturity	-	189,451
Bank balances	479,015	632,622
	1,274,906	1,333,924

The maximum exposure to credit risk for trade debts at the reporting date by type of customer was:

NOTES TO THE FINANCIAL STATEMENTS

Others	12,481	13,518
	714,034	447,770

39.1.3 Impairment losses

The aging of trade debts at the reporting date was:

	2018		2017	
	Gross debts	Impaired	Gross debts	Impaired
	(Rupees in '000')		(Rupees in '000')	
Not past due	351,270	-	203,901	-

5 - 7 months	35,330	1,143	8,868	443
8 - 12 months	39,515	2,596	34,427	143
13 - 18 months	25,879	16,002	43,866	36,306
19 - 23 months	46,415	46,415	18,186	18,186
	780,190	66,156	502,848	55,078

The movement in the allowance for impairment in respect of trade debts during the year was as follows:

	Note	2018	2017
		(Rupees in '000')	
Balance at beginning of year		55,078	47,559
Provision made during the year		27,924	36,649
Less: bad debts written off		16,846	29,130
Balance at end of year	21	66,156	55,078

The allowance account in respect of trade debts is used to record impairment losses where the Company is satisfied that recovery of the due amount is doubtful. When the amount considered irrecoverable it is written off against the financial asset.

- 39.1.4** The Company believes that no impairment allowance is necessary in respect of loan and advances, markup accrued, deposits and other financial assets as the recovery of such amount is possible.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

39.2 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. For this purpose the Company has credit facilities as mentioned in notes 8 and 34 to the financial statements. Further liquidity position of the Company is monitored by the Board through budgets, cash flow projections and comparison with actual results.

Following is the maturity analysis of financial liabilities:

	Carrying amount	Six months or less	Six to twelve months	One to two years	Two to five years	Above five years

39.3 Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, markup rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return on risk. The Company is exposed to currency and mark up rate risk.

39.3.1 Foreign currency risk

Exposure to foreign currency risk

Foreign currency risk arises mainly where receivables and payables exist due to transactions with foreign undertakings and cash in foreign currency bank account. The transactions and balances in foreign currency are very nominal therefore, the Company's exposure to foreign currency risk is very minimal. The Company's exposure to foreign currency risk is as follows:

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

39.3.2 Markup rate risk

The markup rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate due to changes in the market markup rates. Sensitivity to markup rate risk arises from mismatches of financial assets and liabilities that mature in a given period. The Company's exposure to the risk of changes in market markup rates relates primarily to Company's long term debt obligations with floating markup rates.

The Company analyses its markup rate exposure on a dynamic basis. Various scenarios are simulated taking into consideration refinancing, renewal of existing positions, alternative financing. Based on these scenarios, the Company calculates the impact on profit or loss of a defined markup rate shift. For each simulation, the same markup rate shift is used for all currencies. The scenarios are run only for liabilities that represent the major markup-bearing positions.

The Company adopts a policy to ensure that markup rate risk is minimized by investing its surplus funds in fixed rate investments like TDRs.

Profile

At the reporting date the markup rate profile of the Company's markup-bearing financial instruments is:

	Note	2018 (Rupees in '000')	2017
Financial assets			
Investments - held to maturity	24	-	189,451
Bank balances	26	397,800	566,133
		397,800	755,584
Financial liabilities			
Long term financing - secured	8	1,675,118	503,992
Short term borrowing	12	5,974	-
		1,681,092	503,992
		(1,283,292)	251,592

The effective markup rates for the financial assets and liabilities are mentioned in respective notes to the financial statements.

Markup rate sensitivity analysis

If markup rates had been 50 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended June 30, 2018 would decrease/increase by Rs. 2,496 thousand (2017: decrease/increase by Rs. 3,547 thousand). This is mainly attributable to the Company's exposure to markup rates on its variable rate borrowings.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2018

39.4 Fair value of financial instruments

Fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The carrying values of all financial assets and liabilities reflected in the financial statements approximate their fair values except investment held to maturity which are carried at amortized cost.

39.5 Capital management

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders and to maintain a strong capital base to support the sustained development of its business. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend to ordinary shareholders. There were no changes to the Company's approach to capital management during the year.

40 FINANCIAL INSTRUMENTS

Fair value of financial instruments

Fair value is the amount that would be received on sale of an asset or paid on transfer of a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and fair value estimates. Underlying the definition of fair value is the presumption that the Company is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

IFRS 13, 'Fair Value Measurements' requires the Company to classify fair value measurements using fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs).

Financial instruments by category

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy for financial instruments measured at fair value.

CONSOLIDATED FINANCIAL STATEMENTS

For the year ended June 30, 2018

INDEPENDENT AUDITORS' REPORT

To the members of Shifa International Hospitals Limited Report on the Audit of the Financial Statements

Opinion

We have audited the annexed consolidated financial statements of Shifa International Hospitals Limited and its subsidiary (the Group), which comprise the consolidated statement of financial position as at June 30, 2018 and the consolidated statement of profit or loss, the consolidated statement of other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at June 30, 2018, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S. No.	Key audit matters	How the matter was addressed in our audit
1	Valuation of Land The Group is following revaluation model for subsequent measurement of its lands under Property, plant and equipment. The valuation is based on the report of independent external appraiser engaged by the Group, who estimate the value after due consideration of the prevailing prices, characteristics, size of the land and restrictions and condition attached to the same. Based on the latest reports of external appraiser, values of lands are accounted for in the consolidated financial statements. Due to specifics of the valuation process, characteristics and materiality of the value of lands, we have determined it as a key audit matter.	Our audit procedures amongst others to address this matter comprise of assessing the qualification, objectivity, independence and competence of external appraiser. We discussed with appraiser the methodology, key assumptions and method used in the valuation process. We established that the valuation approach is consistent and in accordance with IFRS 13, "Fair Value Measurement". We also tested and assessed the completeness, appropriateness and adequacy of the disclosure in the consolidated financial statements of the Company with regard to the revaluation performed.
2	First time application of fourth schedule to the Companies Act, 2017 As referred to in note 2 and 3.1 to the annexed consolidated financial statements, the consolidated financial statements have been prepared according to the third and fourth schedules to the Companies Act, 2017 (the Act) as they have become applicable for the first time during the current year. The Act (including third and fourth schedule) forms an integral part of the statutory financial reporting framework as applicable to the Group which, amongst others, prescribes the nature and content of disclosures in relation to various elements of the consolidated financial statements and the management identified differences between the framework by performing gap analysis and as a result assessed the amendments relating to disclosures required in the Group's financial statements. We consider the above as a key audit matter in view of extensive impacts in the consolidated financial statements due to the Companies Act, 2017.	The matter was addressed in our audit by performing the audit procedures where by, the management's process to identify the necessary amendments required in the Group's financial statements was considered and an evaluation was made of the results of management's analysis and key decisions taken in respect of the transition and an assessment was made on the adequacy and appropriateness of disclosures made in the consolidated financial statements arising from the changes.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan and Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Khaliq ur Rahman.

2 SIGNIFICANT TRANSACTIONS AND EVENTS THAT AFFECTED THE GROUP'S FINANCIAL POSITION AND PERFORMANCE

Sit in procession followed by political turmoil during the second quarter of current financial year had effected the revenue growth of the SIHL. Had there been no aforementioned events, the revenue would have been increased by Rs. 41 million.

During the year under review, the SIHL has purchased land and building at lump sum value of Rs. 1,350 million.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

During the current year, the SIHL has opened further three institutional pharmacies that significantly contributed towards the pharmacy revenue growth of the SIHL.

Due to first time application of financial reporting requirements of the Companies Act, 2017, the Group has changed the accounting policy and the presentation of surplus on revaluation of property, plant and equipment as detailed in note 4.22.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for financial reporting. The accounting and reporting standards as applicable in Pakistan comprise of such International Financial Reporting Standards (IFRS Standards) issued by International Accounting Standards Board (IASB) as notified under Companies Act, 2017 (the "Act"); and provisions of and directives issued under the Act. Where provisions of and directives issued under the Act differ from IFRS standards, the provisions of and directives issued under the Act have been followed.

During the year the Companies Act, 2017 became applicable for the first time for the preparation of these consolidated financial statements. The Companies Act, 2017 (including its third and fourth schedule) forms an integral part of the statutory financial reporting framework applicable to the Group and amongst others, prescribes the nature and content of disclosures in relation to various elements of the consolidated financial statements. Additional amended disclosures including but not limited to, particulars of immovable assets (note 14.2), management assessment of sufficiency of tax provision in the consolidated financial statements (note 30.2), change in threshold for identification of executive (note 36) and changes in threshold for disclosing disposal of fixed assets (note 14.7) etc.

3.2 Basis of measurement

These consolidated financial statements have been prepared under the historical cost convention, modified by:-

- revaluation of certain items of property, plant and equipment; and
- recognition of employees gratuity benefits obligation at present value.

3.3 Functional and presentation currency

These consolidated financial statements are presented in Pak Rupee, which is the Group's functional and presentation currency.

3.4 Use of estimates and judgments

The preparation of consolidated financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and underlying assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgment about carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgments made by management in the application of the approved accounting standards that have significant effect on the consolidated financial statements and estimates with a significant risk of material adjustment in the next year are discussed in the ensuing paragraphs.

3.4.1 Property, plant and equipment

The Group reviews the useful lives of property, plant and equipment on a regular basis. Any change in estimates in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding effect on the depreciation/amortization charge and impairment.

3.4.2 Investment property

The SIHL reviews the useful lives of investment property on a regular basis. Any change in estimates in future years might affect the carrying amounts of the respective items of investment property with a corresponding effect on the depreciation/amortization charge and impairment.

3.4.3 Intangible assets

The Group reviews the useful lives of intangible assets on a regular basis. Any change in estimates in future years might affect the carrying amounts of the respective items of intangibles with the corresponding effect on the amortization charge and impairment.

3.4.4 Provision for doubtful debts

The Group estimates the recoverability of the trade debts and provides for doubtful debts based on its prior experience.

3.4.5 Stock-in-trade, stores, spares and loose tools

The Group reviews the net realizable value of stock-in-trade, stores, spares and loose tools to assess any diminution in the respective carrying values. Net realizable value is determined with reference to estimated selling price less estimated expenditures to make the sale.

3.4.6 Employee benefits

The SIHL operates approved funded gratuity scheme covering all its employees who have completed the minimum qualifying period of service as defined under the scheme. The gratuity scheme is managed by trustees. The calculation of the benefit requires assumptions to be made of future outcomes, the principal ones being in respect of increase in remuneration and the discount rate used to convert future cash flows to current values. The assumptions used for the plan are determined by independent actuary on annual basis.

The amount of the expected return on plan assets is calculated using the expected rate of return for the year and the market-related value at the beginning of the year. Gratuity cost primarily represents the increase in actuarial present value of the obligation for benefits earned on employee service during the year and the interest on the obligation in respect of employee service in previous years, net of the expected return on plan assets. Calculations are sensitive to changes in the underlying assumptions.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

3.4.7 Compensated absences

The Group provides provision for compensated absences of its employees on unavailed balance of leaves in the period in which the leave is earned. The Group provides for its estimated liability towards leaves accumulated by employees on an accrual basis using current salary levels.

3.4.8 Taxation

The Group takes into account the current income tax laws and decisions taken by appellate authorities. Instances where the Group's view differs from the view taken by the income tax department at the assessment stage and where the Group considers that its view on items of material nature is in accordance with law, the amounts are shown as contingent liabilities.

3.4.9 Contingencies

The Group has disclosed significant contingent liabilities for the pending litigations and claims against the Group based on its judgment and the advice of the legal advisors for the estimated financial outcome. The actual outcome of these litigations and claims can have an effect on the carrying amounts of the liabilities recognized at the balance sheet date. However, based on the best judgment of the Group and its legal advisors, the likely outcome of these litigations and claims is remote and there is no need to recognize any liability at the balance sheet date.

3.5 New accounting standards, interpretations and amendments

During the year certain amendments to standards or new interpretations became effective, however, the amendments or interpretations did not have any material effect on these consolidated financial statements.

The following revised standards and amendments and interpretations to the approved accounting standards, as applicable in Pakistan, would be effective from the dates mentioned below against the respective standard:

IFRIC 23	Uncertainty over Income Tax Treatments	January 1, 2019

At present the impact of application of above standards on consolidated financial statements are being assessed.

In addition to above standards and amendments, improvements to various accounting standards have also been issued by the IASB in December 2016 and December 2017. Such improvements are generally effective for accounting periods on or after January 01, 2018 and January 01, 2019 respectively. The Group expects that such improvement to the standards will not have any impact on the consolidated financial statement in the period of initial application.

The Group has adopted the following applicable accounting standards, amendments and interpretations of IFRS standards which became effective for the current year:

		Effective date (annual periods beginning on or after)
IAS 12	Income taxes - Recognition of deferred tax assets for unrealized losses - (Amendment)	January 1, 2016
IFRS 7	Financial Instruments: Disclosures - Disclosure initiative	January 1, 2021

The adoption of above accounting standards did not have any effect on the consolidated financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

The IASB has also issued the revised Conceptual Framework for financial reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after January 1, 2020 for preparers of consolidated financial statements who develop accounting policies based on Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of Conceptual Framework is to assist IASB in developing standards, to help preparers to develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

Further, the following new standards and interpretations have been issued by the International Accounting Standards Board (IASB), which are yet to be notified by the Securities and Exchange Commission of Pakistan (SECP), for the purpose of their applicability in Pakistan:

	Effective date (annual periods beginning on or after)
IFRS 14 Regulatory Deferral Accounts	January 1, 2016
IFRS 17 Insurance Contracts	January 1, 2021

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these consolidated financial statements, except the change reflected in note 4.22 below.

4.1 Basis of consolidation

These consolidated financial statements include the financial statements of Shifa International Hospitals Limited and its wholly owned subsidiary company, Shifa Consulting Services (Private) Limited for the year ended June 30, 2018. The accounting policies used by the subsidiary company in preparation of their financial statements are consistent with that of the parent Company.

Subsidiaries

Subsidiaries are all entities over which the Group has the power to govern the financial and operating policies generally accompanying a shareholding of more than one half of the voting rights. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Group controls another entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are derecognized from the date the control ceases.

The Group uses the acquisition method of accounting to account for business combinations. The consideration transferred for the acquisition of a subsidiary is the fair values of the assets transferred, the liabilities incurred and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities (including contingent liabilities) assumed in a business combination are measured initially at their fair values at the acquisition date. On an acquisition-by-acquisition basis, the Group recognizes any non-controlling interest in the acquiree either at fair value or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date; any gains or losses arising from such remeasurement are recognized in consolidated statement of profit or loss.

Any contingent consideration to be transferred by the group is recognized at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration that is deemed to be an asset or liability is recognized in accordance with IAS 39 either in consolidated statement of profit or loss or as a change to consolidated statement of other comprehensive income. Contingent consideration that is classified as equity is not re-measured and its subsequent settlement is accounted for within equity.

Inter-company transactions, balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated. When necessary, amounts reported by subsidiaries have been adjusted to conform with the group's accounting policies.

4.2 Property, plant and equipment

Property, plant and equipment except freehold and leasehold land and capital work-in-progress are stated at cost less accumulated depreciation/amortization and impairment in value, if any. Leasehold land is stated at revalued amount being the fair value at the date of revaluation, less any subsequent accumulated depreciation and impairment losses while freehold land is stated at revalued amount being the fair value at the date of revaluation, less any subsequent impairment losses, if any. Leasehold land is amortized over the lease period extendable up to 99 years.

Any revaluation increase arising on the revaluation of land is recognized in other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property, plant and equipment", except to the extent that it reverses a revaluation decrease for the same asset previously recognized in consolidated statement of profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously charged. Any decrease in carrying amount arising on the revaluation of land is charged to consolidated statement of profit or loss to the extent that it exceeds the balance, if any, held in the Revaluation surplus on property, plant and equipment relating to a previous revaluation of that asset. The surplus on leasehold land to the extent of incremental depreciation charged is transferred to unappropriated profit.

Capital work-in-progress and stores held for capital expenditure are stated at cost less impairment loss recognized, if any. All expenditures connected with specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to specific items of property, plant and equipment when available for intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs that do not meet the recognition criteria are charged to consolidated statement of profit or loss as and when incurred.

Depreciation/amortization is charged to consolidated statement of profit or loss commencing when the asset is ready for its intended use, applying the straight-line method over the estimated useful life.

In respect of additions and disposals during the year, depreciation/amortization is charged when the asset is available for use and up to the month preceding the asset's classification as held for sale or derecognized, whichever is earlier.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

Assets are derecognized when disposed off or when no future economic benefits are expected to flow from its use. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized on net basis within "other income" in consolidated statement of profit or loss.

4.3 Investment property

Investment property, principally comprising of land and buildings, is held for long term rental yields/capital appreciation. The investment property of the SIHL comprises of land and buildings and is valued using the cost method i.e. at cost less any accumulated depreciation and impairment losses, if any.

Cost includes expenditure that is directly attributable to the acquisition of the investment property. The cost of self constructed investment property includes the cost of materials and direct labour, any other costs directly attributable to bringing the investment property to a working condition for their intended use and capitalized borrowing costs, if any.

Depreciation is charged to consolidated statement of profit or loss on the straight line method so as to allocate the depreciable amount over its estimated useful life. Depreciation on additions to investment property is charged from the month in which a property is acquired or capitalized while no depreciation is charged for the month in which the property is disposed off.

The residual values and useful lives of investment property are reviewed at each reporting date and adjusted if appropriate. The SIHL assesses at each reporting date whether there is any indication that investment property may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying values exceed the respective recoverable amounts, assets are written down to their recoverable amounts and the resulting impairment loss is recognized in the consolidated statement of profit or loss. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

Where an impairment loss is recognized, the depreciation charge is adjusted in the future period to allocate the asset's revised carrying amount over its estimated useful life. The gain or loss on disposal of investment property, represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as income or expense in consolidated statement of profit or loss.

4.4 Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment losses, if any. Subsequent cost on intangible assets is capitalized only when it increases the future economic benefits embodied in the specific assets to which it relates. All other expenditure is expensed as incurred.

Amortization is charged to the consolidated statement of profit or loss on a straight line basis over the estimated useful lives of intangible assets unless such lives are indefinite. Amortization on additions to intangible assets is charged from the month in which an item is acquired or capitalized while no amortization is charged for the month in which the item is disposed off.

All intangible assets with an indefinite useful life are systematically tested for impairment at each reporting date. Where the carrying amount of an asset exceeds its estimated recoverable amount it is written down immediately to its recoverable amount. The carrying amount of other intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exist then the asset's recoverable amount is estimated. The recoverable amount is the greater of its value in use and fair value less cost to sell. An impairment is recognized if the carrying amount exceeds its estimated recoverable amount.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

4.5 Leases

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the Group. All other leases are classified as operating leases.

Finance leases as lessee

The Group recognizes finance leases as assets and liabilities in the consolidated statement of financial position, at the inception of the lease, at amounts equal to the fair value of the asset or, if lower, at the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to similar owned assets. In calculating the present value of the minimum lease payments the discount factor used is the interest rate implicit in the lease. Initial direct costs incurred are included as part of the amount recognized as an asset. The liabilities are classified as current and long term depending upon the timing of payment. Lease payments are apportioned between the finance charge and the reduction of outstanding liability. The finance charge is allocated to periods during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Finance charges are charged directly to consolidated statement of profit or loss.

Operating leases/ljarah contracts

As lessor

Rental income from operating leases is recognized on straight-line basis over the term of the relevant lease.

As lessee

Rentals payable under operating leases/ljarah are charged to consolidated statement of profit or loss on straight-line basis over the term of relevant lease/ljarah.

4.6 Impairment

Non - Financial assets

The Group assesses at each reporting date whether there is any indication that assets except deferred tax assets and inventory may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amounts. Where carrying values exceed the respective recoverable amounts, assets are written down to their recoverable amounts and the resulting impairment loss is recognized in consolidated statement of profit or loss except for the impairment loss on revalued assets, which is adjusted against the related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation of that asset. The recoverable amount is the higher of an asset's fair value less costs to sell and its value in use.

Where impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised recoverable amount but limited to the extent of the carrying amount that would have been determined (net of depreciation/amortization) had no impairment loss been recognized for the asset in prior years. Reversal of impairment loss is recognized in consolidated statement of profit or loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

Financial assets

Financial assets are assessed at each reporting date to determine whether there is objective evidence that they are impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably. Objective evidence that financial assets are impaired may include default or delinquency by a debtor, indications that a debtor or issuer will enter bankruptcy.

4.7 Investments

All purchases and sales of investments are recognized using settlement date accounting. Settlement date is the date on which that investments are delivered to or by the Group. All investments are derecognized when the rights to receive cash flows from the investments have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership.

4.7.1 Investment - held to maturity

Investment with fixed or determinable payments and fixed maturity that the SIHL has the positive intent and ability to hold till maturity are classified as investment held to maturity. These are initially recognized at cost inclusive of transaction cost and are subsequently carried at amortized cost using the effective interest rate method less impairment loss, if any. This method uses an effective interest rate that exactly discounts estimated future cash receipts through the expected life of the investment to its net carrying amount.

4.7.2 Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than 12 months after the balance sheet date, those are classified as non-current assets. The Group's loans and receivables comprise 'Advances, deposits and other receivables'.

4.8 Stores, spare parts and loose tools

These are valued at cost, determined on moving average cost basis or net realizable value, whichever is lower, less allowance for obsolete and slow moving items. For items which are slow moving or identified as surplus to the SIHL's requirement, a provision is made for excess of book value over estimated net realizable value. The Group reviews the carrying amount of stores, spare parts and loose tools on a regular basis and provision is made for obsolescence, if there is any change in usage pattern and physical form of related stores, spare parts and loose tools.

4.9 Stock-in-trade

Stock-in-trade is valued at lower of cost, determined on moving average basis or net realizable value. The cost includes expenditure incurred in acquiring the stock items and other cost incurred in bringing them to their present location and condition.

4.10 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, cheques in hand, balances with banks and highly liquid short term investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of change in value with maturity of three months or less from the date of acquisition and short term borrowings.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

4.11 Financial instruments

Financial assets and liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. These are derecognized when the Group loses control of contracted rights that comprise the financial assets and in the case of financial liabilities when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is included in the consolidated statement of profit or loss.

The particular recognition methods adopted by the Group are disclosed in the individual policy statements associated with each item of the financial instruments.

4.11.1 Trade debts and other receivables

Trade debts and other receivables are carried at original bill amount less an estimate made for doubtful receivables based on review of outstanding amounts at the year end. Balances considered bad and irrecoverable are written off against provision.

4.11.2 Trade and other payables

Liabilities for trade and other payables are measured at cost which is the fair value of the consideration to be paid in the future for goods and services received.

4.11.3 Offsetting

A financial asset and a financial liability is offset and the net amount is reported in the consolidated statement of financial position, if the Group has a legal enforceable right to set-off the recognized amounts and intends either to settle on net basis or to realize the asset and settle the liability simultaneously.

4.12 Employee benefits

Defined benefit plan

The SIHL operates approved funded gratuity scheme for all its employees who have completed the minimum qualifying period of service as defined under the respective scheme. Provision is made annually to cover obligations under the scheme on the basis of actuarial valuation and is charged to consolidated statement of profit or loss. The most recent valuation was carried out as at June 30, 2018 using the "Projected Unit Credit Method". The actuarial gains or losses at each evaluation date are charged to consolidated other comprehensive income. The results of actuarial valuation are summarized in note 10.4 of these consolidated financial statements.

The amount recognized in the balance sheet represents the present value of defined benefit obligations as reduced by the fair value of plan assets.

Calculation of gratuity requires assumptions to be made of future outcomes which mainly include increase in remuneration, expected long term return on plan assets and the discount rate used to convert future cash flows to current values. Calculations are sensitive to changes in the underlying assumptions.

Compensated absences

The Group provides for compensated absences of its employees on unavailed balance of leaves in the period in which the leave is earned. Accrual to cover the obligations is made using the current salary levels of the employees.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

4.13 Provisions

Provisions are recognized when the Group has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. However, provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

4.14 Taxation

Taxation for the year comprises current and deferred tax. Taxation is recognized in the consolidated statement of profit or loss except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current

Provision for current taxation is based on taxable income at the current rates of tax after taking into account applicable tax credits, rebates, losses and exemptions available, if any.

Deferred

Deferred tax is accounted for using the liability method in respect of all taxable temporary differences arising from differences between the carrying amount of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that is no longer probable that the related tax benefit will be realized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on tax rates that have been enacted. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets and they relate to income taxes levied by the same tax authority on the same taxable entity or on different tax entities but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

4.15 Foreign currencies

Transactions in currencies other than Pak Rupees are recorded at the rates of exchange prevailing on the dates of transactions. At each balance sheet date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rate prevailing on the reporting date. Gains and losses arising on retranslation are included in consolidated statement of profit or loss for the year.

4.16 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and represents amounts received or receivable for goods and services provided in the normal course of business. Revenue is recognized in the accounting period in which the services are rendered and goods are delivered and it is probable that the economic benefits associated with the transactions will flow to the Group and the amount of the revenue can be measured reliably.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

Rental income is recognized on a straight line basis over the term of the rent agreement.

Scrap sales and miscellaneous receipts are recognized on realized amounts.

4.17 Borrowings

Borrowings are recognized initially at fair value net off transaction cost incurred and are subsequently measured at amortized cost using the effective interest rate method. Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of liability for at least twelve months after the reporting date.

4.18 Borrowing costs

Borrowing costs which are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of that asset. All other borrowing costs are charged to consolidated statement of profit or loss.

4.19 Earnings per share

The Group presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Group by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholder and weighted average number of ordinary shares outstanding for the effects of all potential ordinary shares.

4.20 Dividend

Dividend is recognized as a liability in the period in which it is declared.

4.21 Non - current assets held for sale

Non - current assets are classified as held for sale when their carrying amounts are expected to be recovered principally through a sale transaction and a sale is considered highly probable. They are stated at the lower of carrying amount immediately prior to their classification as held for sale and fair value less cost to sell. Once classified as held for sale, the assets are not subject to depreciation or amortization. In case where classification criteria of non-current asset held for sale is no longer met such asset is classified on its carrying amount before the asset was classified as held for sale, adjusted for depreciation/revaluation that would have been recognized had the asset not been classified as held for sale. The required adjustment to the carrying amount of a non-current asset that ceases to be classified as held for sale is charged in consolidated statement of profit or loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

4.22 Change in Accounting policy

Previously, the Group's accounting policy for surplus on revaluation of property, plant and equipment was in accordance with the provisions of section 235 of the repealed Companies Ordinance 1984 which required a deficit arising on revaluation of a particular property was to be adjusted against the total balance in the surplus account, or if no surplus existed, was to be charged to the consolidated statement of profit or loss as an impairment of the asset. The Companies Act, 2017 removed the specific provisions allowing the above treatment. A deficit arising on revaluation of a particular property is now to be accounted for in accordance with IFRS, which requires that such deficit cannot be adjusted against surplus in another property, but is to be taken to the consolidated statement of profit or loss as an impairment. Consequently, the Group has changed its policy for accounting for deficit arising on revaluation of fixed assets, however, the change has no impact on current and prior consolidated financial statements of the Group. The revised accounting policy is explained in note 4.1 above. Further, the requirement of the repealed Companies Ordinance, 1984 to present the surplus on revaluation of property, plant and equipment as a separate item below equity has not been carried forward in the Companies Act, 2017. In view of the above, the surplus on revaluation of property, plant and equipment is now shown in the consolidated statement of financial position and the consolidated statement of changes in equity as a capital reserve i.e. part of equity.

13.1.1 This represents claim lodged on January 01, 2007 by a patient(s) and his heirs against the Company for alleged negligence on part of the consultant/doctor. The management is contesting the claim which is pending in Peshawar High Court, and believes that the contention of the claimants will not be successful and no material liability is likely to arise.

13.1.2 This represents the penalty imposed on June 06, 2012 by Competition Commission of Pakistan (CCP) to each Gulf Cooperation Council's (GCC) Approved Medical Centers (GAMCs) including SIHL on account of alleged non competitive practice/B363 arrangement of territorial division and equal allocation of GAMCs customers. Management of the Company and other GAMCs are jointly contesting the matter from September 09, 2012 which is pending in Islamabad High Court, Islamabad and firmly believe that the case will be decided in favor of the GAMCs including SIHL.

13.1.3 This represents letters of guarantees issued by bank in favor of Sui Northern Gas Pipelines Limited (SNGPL), Ministry of Economy U.A.E. and Oil and Gas Development Company Limited (OGDCL) in ordinary course of SIHL's business.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

- 13.1.4** The tax authorities amended the assessments for tax years 2012, 2013, 2014, 2015 and 2016. Under section 122(5A) of Income Tax Ordinance, 2001 and raised tax demands of Rs. 147.7 million, Rs. 133.3 million, Rs. 85.5 million, Rs. 26.1 million and Rs. 566.2 million respectively. Being aggrieved the SIHL agitated the assessments in appeals before the Commissioner (Appeals) on August 13, 2018, June 26, 2018, February 19, 2018, January 15, 2018 and December 28, 2017, respectively. Thereafter the Commissioner (Appeals) has unfavorably decided the appeals for tax year 2014 and 2016 and being aggrieved the SIHL filed appeals against the appellate orders before the Appellate Tribunal Inland Revenue [ATIR], which are pending for adjudication. While appeals for tax year 2012, 2013 and 2015 is still pending for adjudication before Commissioner (Appeals). No provision has been recorded as the management is hopeful for favorable outcome.
- 13.1.5** The tax authorities levied tax of Rs. 178.4 million under section 161/205 of the Income Tax Ordinance, 2001 for tax year 2014 on the account of alleged non deduction of tax on payments. Being aggrieved, the SIHL agitated the assessment in appeal before the Commissioner (Appeals) on May 09, 2018 who confirmed the order of the sub-ordinate tax authority. Being not satisfied with order of the CIR(A), the SIHL preferred appeal before the ATIR, which is pending for adjudication. The SIHL is confident for a favorable outcome and therefore, no provision in respect of above matter has been recorded in these financial statements.
- 13.1.6** The Assistant Commissioner Inland Revenue (ACIR) has amended the SIHL's assessment for tax year 2014 under section 221 of the Income Tax Ordinance, 2001 which has resulted a tax demand of Rs. 11.8 million. Being aggrieved, the SIHL has filed an appeal before the Commissioner Inland Revenue (Appeals) (CIR(A)) on March 10, 2017 wherein the CIR(A) has remanded back the said assessment to ACIR on November 30, 2017. The Department has filed an appeal on January 31, 2018 against the CIR(A) order which is pending adjudication before the Appellate Tribunal Inland Revenue. The SIHL is confident for a favorable outcome and therefore, no provision in respect of this matter has been recorded in these consolidated financial statements.
- 13.1.7** During the prior period the Deputy Commissioner Inland Revenue (DCIR) concluded an ex-party assessment against SCSPL under the Islamabad Capital Territory (Tax on Services) Ordinance 2001 (the Ordinance) and charged sales tax on the entire receipts of SCSPL for the tax year 2016 representing consulting income. The above assessment resulted in a demand of Rs. 2.5 million against which a provision of Rs. 2.0 million had been recorded in these the consolidated financial statements as SCSPL intended to pay the balance amount of Rs. 0.7 million considering that the tax authorities had recovered Rs. 1.4 million from the bank accounts. The un-provided balance represented a calculation error and management of SCSPL has filed an appeal with the Commissioner Inland Revenue (Appeals) and rectification application with the DCIR on which DCIR had partially accepted and rectified the demand of Rs. 2.5 million to Rs. 2.3 million. However, the decision of Commissioner Inland Revenue (Appeals) is still pending. SCSPL is confident for a favorable outcome and therefore, no further provision in respect of this matter has been recorded in these consolidated financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

38 FINANCIAL RISK MANAGEMENT

The Group has exposure to the following risks from its use of financial instruments:

Credit risk

Liquidity risk

Market risk

This note presents information about the Group's exposure to each of the above risks, the Group's objectives, policies and processes for measuring and managing risk and the Group's management of capital. Further quantitative disclosures are included throughout these consolidated financial statements.

The Board of Directors of the Group has overall responsibility for the establishment and oversight of the Group's risk management framework and policies.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group through its training and management standards and procedures aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Audit Committee of the SIHL oversees how management monitors compliance with the Group's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The Audit Committee is assisted in its oversight role by Internal Audit function. Internal Audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

38.1 Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The group manages credit risk in trade debts by limiting significant exposure to the customers not having good credit history. Furthermore, the Group has credit control in place to ensure that services are rendered to customers with an appropriate credit history.

The Group is also exposed to credit risk from its operating and short term investing activities. The Group's credit risk exposures are categorized under the following headings.

38.1.1 Counterparties

The Group conducts transactions with the following major types of counterparties:

Trade debts

Trade debts are essentially due from government companies/institutions, private companies (panel companies) and individuals to whom the SIHL is providing medical services. Normally the services are rendered to the panel companies on agreed rates and limits from whom the Group does not expect any inability to meet their obligations. The Group manages credit risk in trade debts by limiting significant exposure to the customers not having good credit history. Furthermore, the Group has credit control in place to ensure that services are rendered to customers with an appropriate credit history.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

The Group establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade debts. This allowance is based on the management's assessment of a specific loss component that relates to individually significant exposures.

Cash and investments

The Group limits its exposure to credit risk by investing in liquid securities and maintaining bank accounts only with counterparties that have a credit rating of at least A-2 and A-1. Given these credit ratings, management does not expect any counterparty to fail to meet its obligations.

38.1.2 Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

	2018	2017
	(Rupees in '000')	
Long term deposits	41,140	41,729
Trade debts - considered good	716,758	450,056
Trade deposits and other receivables	40,915	22,023
Markup accrued	-	1,165
Investment - held to maturity	-	189,451
Bank balances	485,387	634,002
	1,284,200	1,338,426

The maximum exposure to credit risk for trade debts at the reporting date by type of customer was:

	2018	2017
	(Rupees in '000')	
Government companies	367,662	247,581
Private companies	266,551	127,979
Individuals	44,581	47,999
Related parties	25,483	12,979
Others	12,481	13,518
	716,758	450,056

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

38.1.3 Impairment losses

The aging of trade debts at the reporting date was:

	2018		2017	
	Gross debts	Impaired	Gross debts	Impaired
	(Rupees in '000')		(Rupees in '000')	
Not past due	353,994	-	204,301	-
1 - 4 months	281,781	-	195,486	-
5 - 7 months	35,330	1,143	8,868	443
8 - 12 months	39,515	2,596	34,427	143
13 - 18 months	25,879	16,002	43,866	36,306
19 - 23 months	46,415	46,415	18,186	18,186
	782,914	66,156	505,134	55,078

The movement in the allowance for impairment in respect of trade debts during the year was as follows:

	Note	2018 (Rupees in '000')	2017
Balance at beginning of year		55,078	47,559
Provision made during the year		30,010	41,149
Less: bad debts written off		18,932	33,630
Balance at end of year	20	66,156	55,078

The allowance account in respect of trade debts is used to record impairment losses where the Group is satisfied that recovery of the due amount is doubtful. When the amount considered irrecoverable it is written off against the financial asset.

38.1.4 The Group believes that no impairment allowance is necessary in respect of loan and advances, markup accrued, deposits and other financial assets as the recovery of such amount is possible.

38.2 Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation. For this purpose the Group has credit facilities as mentioned in notes 8 and 33 to the consolidated financial statements. Further liquidity position of the Group is monitored by the Board through budgets, cash flow projections and comparison with actual results.

38.3 Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, markup rates and equity prices will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return on risk. The Group is exposed to currency and mark up rate risk.

38.3.1 Foreign currency risk

Exposure to foreign currency risk

Foreign currency risk arises mainly where receivables and payables exist due to transactions with foreign undertakings and cash in foreign currency bank account. The transactions and balances in foreign currency are very nominal therefore, the Group's exposure to foreign currency risk is very minimal. The Group's exposure to foreign currency risk is as follows:

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

38.3.2 Markup rate risk

The markup rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate due to changes in the market markup rates. Sensitivity to markup rate risk arises from mismatches of financial assets and liabilities that mature in a given period. The Group's exposure to the risk of changes in market markup rates relates primarily to Group's long term debt obligations with floating markup rates.

The Group analyses its markup rate exposure on a dynamic basis. Various scenarios are simulated taking into consideration refinancing, renewal of existing positions, alternative financing. Based on these scenarios, the Group calculates the impact on consolidated profit or loss of a defined markup rate shift. For each simulation, the same markup rate shift is used for all currencies. The scenarios are run only for liabilities that represent the major markup-bearing positions.

The Group adopts a policy to ensure that markup rate risk is minimized by investing its surplus funds in fixed rate investments like TDRs.

Profile

At the reporting date the markup rate profile of the Group's markup-bearing financial instruments is:

	Note	2018 (Rupees in '000')	2017
Financial assets			
Investments - held to maturity	23	-	189,451
Bank balances	25	397,800	566,133
		397,800	755,584
Financial liabilities			
Long term financing - secured	8	1,675,118	503,992
Short term borrowing	12	5,974	-
		1,681,092	503,992
		(1,283,292)	251,592

The effective markup rates for the financial assets and liabilities are mentioned in respective notes to the consolidated financial statements.

Markup rate sensitivity analysis

If markup rates had been 50 basis points higher/lower and all other variables were held constant, the Group's consolidated profit for the year ended June 30, 2018 would decrease/increase by Rs. 2,496 thousand (2017: decrease/increase by Rs. 3,547 thousand). This is mainly attributable to the Group's exposure to markup rates on its variable rate borrowings.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2018

38.4 Fair value of financial instruments

Fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The carrying values of all financial assets and liabilities reflected in the consolidated financial statements approximate their fair values except investment held to maturity which are carried at amortized cost.

38.5 Capital management

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders and to maintain a strong capital base to support the sustained development of its business. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividend to ordinary shareholders. There were no changes to the Group's approach to capital management during the year.

39 FINANCIAL INSTRUMENTS

Fair value of financial instruments

Fair value is the amount that would be received on sale of an asset or paid on transfer of a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and fair value estimates. Underlying the definition of fair value is the presumption that the Company is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

IFRS 13, 'Fair Value Measurements' requires the Company to classify fair value measurements using fair value hierarchy that reflects the significance of the inputs used in making the measurements.

The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs).

Financial instruments by category

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy for financial instruments measured at fair value.
