**SUBJECT: TOMCL Secures Frozen Boneless Beef Export Orders Worth USD 3.24 Million from New CIS Market – Tajikistan**

Dear Sir,

Pursuant to Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of the PSX Regulations, we are pleased to share the following material information with our shareholders and TRE Certificate holders:

The Organic Meat Company Limited (TOMCL) is pleased to announce its successful entry into a new international market within the Commonwealth of Independent States (CIS) region – Tajikistan. This strategic breakthrough marks TOMCL's continued expansion into high-potential emerging markets and its strengthening position as a leading halal meat exporter from Pakistan.

TOMCL has commenced production and exports of frozen boneless beef tailored to meet Tajikistan's specific import requirements and regulatory standards. The company has secured confirmed export orders valued at USD 3.24 million, to be executed over the course of the current financial year.

This milestone reflects:

- TOMCL's growing presence in the CIS region, following its earlier exports to Azerbaijan and Uzbekistan.
- Enhanced demand for Pakistani halal meat in untapped Eurasian markets.
- Strong customer confidence in TOMCL's quality, consistency, and logistics capabilities.
- Diversification of TOMCL's export portfolio across markets beyond the GCC, ASEAN, and MENA.

With this development, TOMCL continues to:

- Support the national export diversification agenda;
- Create positive foreign exchange inflows;
- Strengthen Pakistan's meat export footprint in non-traditional markets;
- Unlock new revenue streams and margin opportunities.

The management at TOMCL remains committed to expanding its halal meat export base across the CIS, Central Asia, and Eastern Europe, leveraging its advanced processing infrastructure, international certifications, and strong backward integration in livestock sourcing.

Together, let's make Pakistan proud.

We request you to kindly disseminate this information to all TRE Certificate holders of the Exchange.
